应用指南

2023-2025年售出的严重疾病保险总保额

**RM 1,090,999,259**

约 RM 10.9 亿 (2025年2月28日更新)

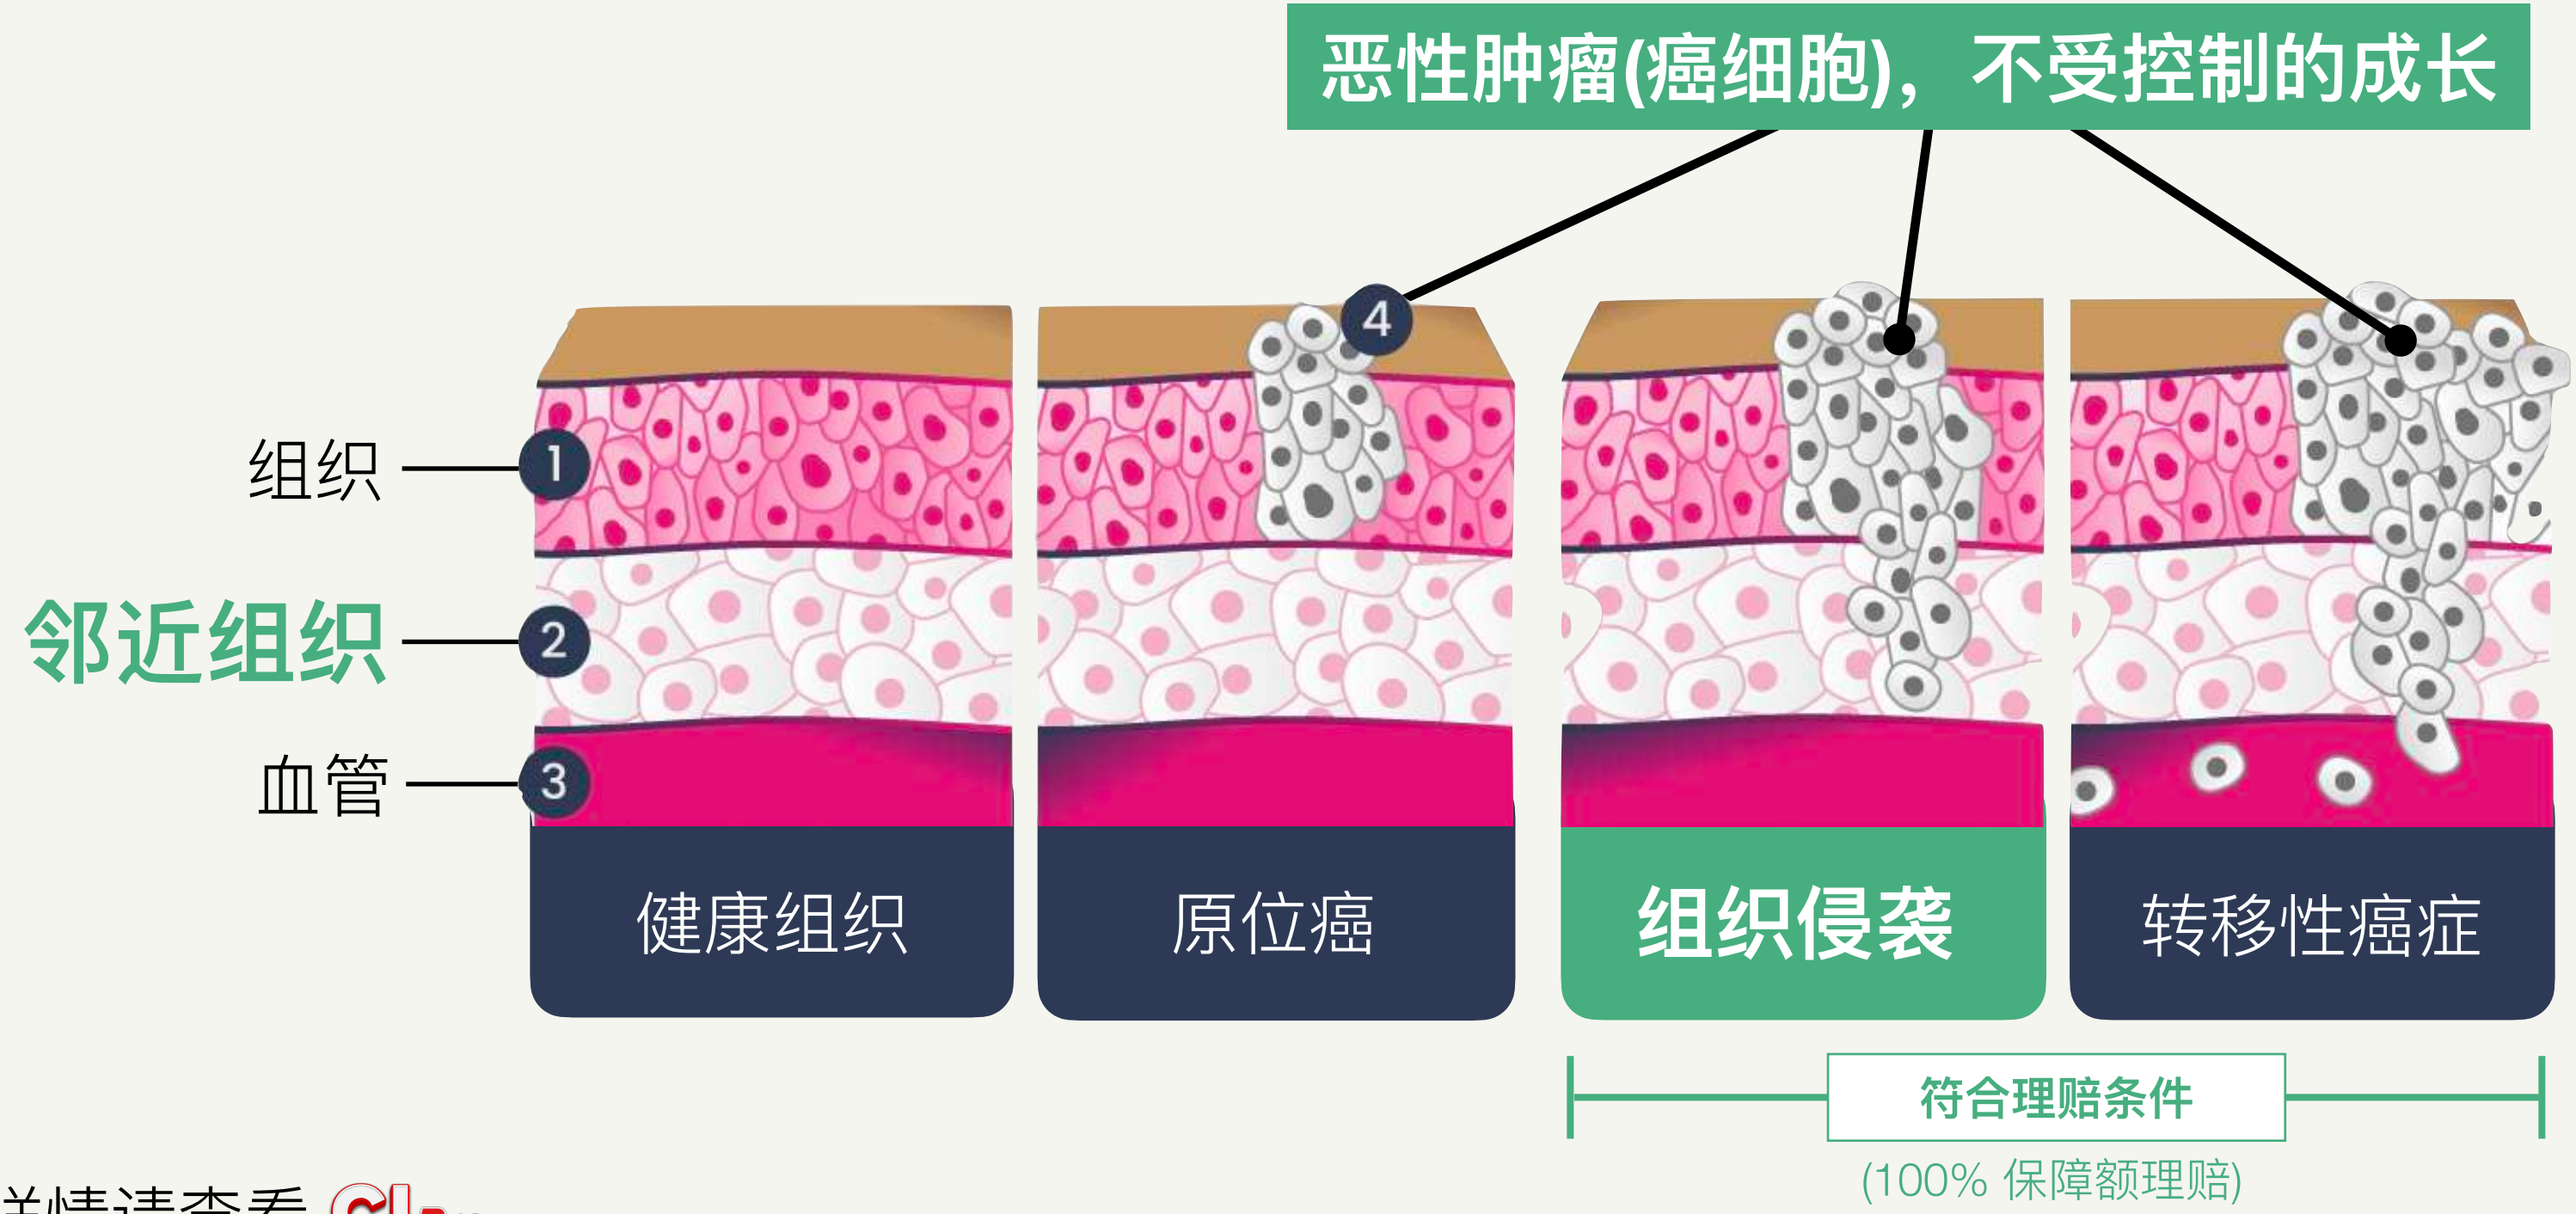

# CI PRO Technical 回复 :

在严重疾病保险中，癌症的理赔条件与癌症的“分期”无关<sup>1</sup>。

<sup>1</sup>除了: 前列腺肿瘤, 甲状腺肿瘤, 膀胱肿瘤

# CI PRO Technical 解说 :

详情请查看 CI PRO Technical

# Manulife

传统医学/中医  
(严重疾病治疗)

## 中西医结合治疗(癌症)

中医草药疗法可以辅助西医疗法来治疗癌症:

1. 帮助缓解西医治疗期间的副作用, 减轻患者痛苦。
2. 减轻化疗和放疗带来的不良反应。
3. 提高患者的生存率和生活质量(化疗后康复方面中药可发挥很好作用)。

**90%** 大马保险保单**持有者**的  
保障不足  
- LIAM(大马人寿保险公会), 2020

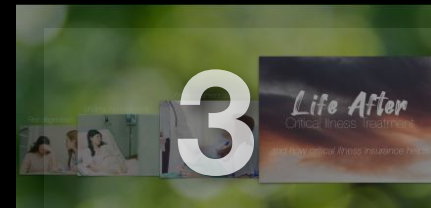

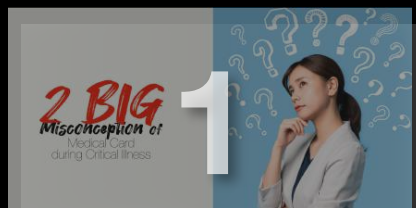

# Why We Need to Have **Urgency** *on Critical Illness Insurance Now?*

为什么我们现在迫切需要严重疾病保障?

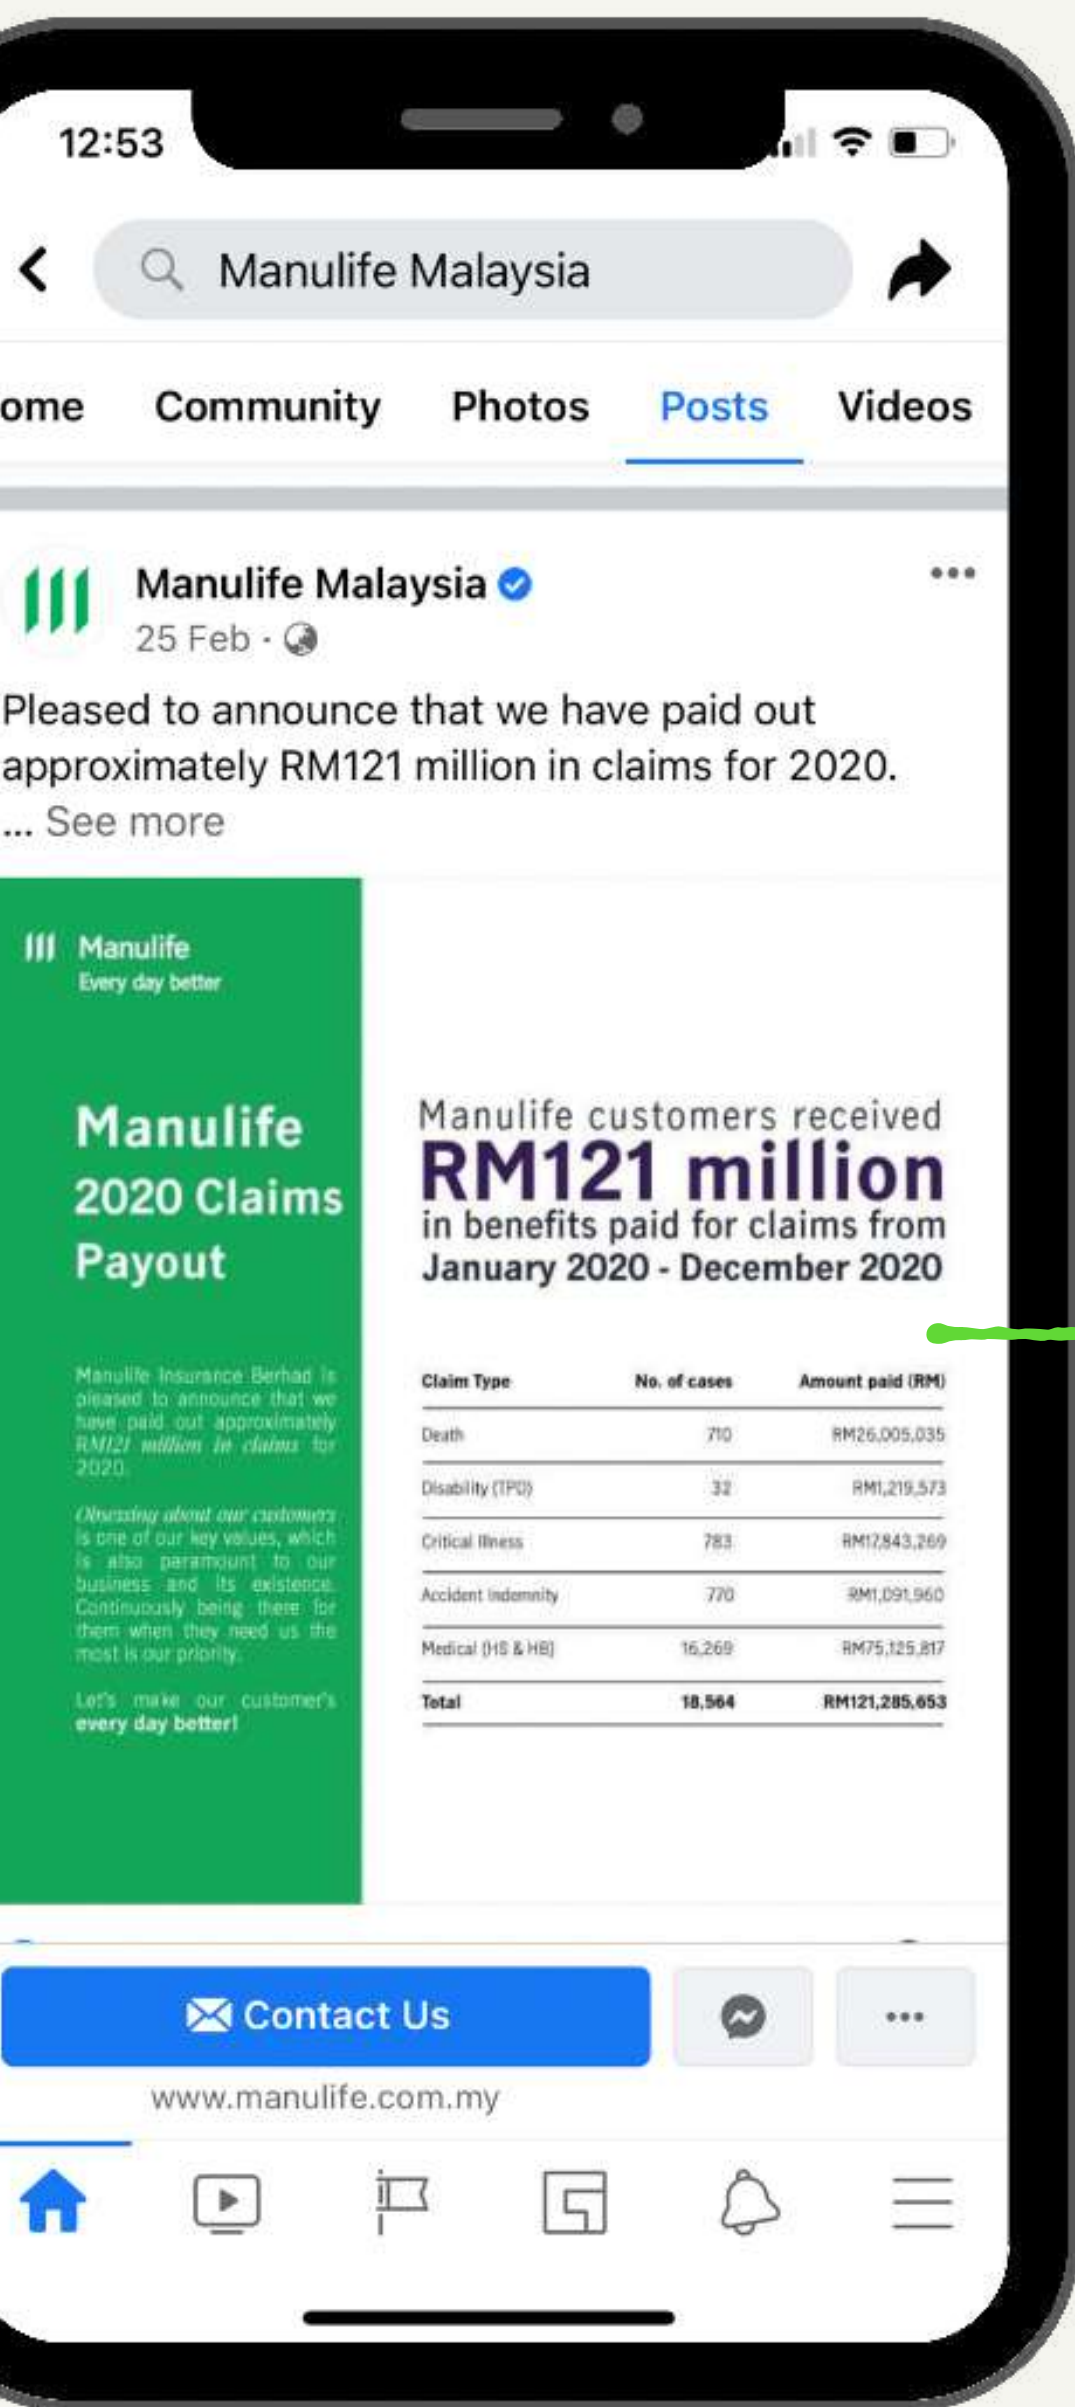

Back To  
Previous Page

Go to  
Next Page

# #1 严重疾病保险的索赔风险高，还是低？ **Critical Illness Insurance Claim Risk is HIGH or LOW ?**

| 索赔种类              | 单数     | 总赔额 (RM)             |
|-------------------|--------|----------------------|
| 医疗保险<br>(HS & HB) | 16,269 | RM 75,125,817        |
| 死亡                | 710    | RM 26,005,035        |
| 严重疾病<br>保险        | 783*   | <b>RM 17,843,269</b> |

针对死亡赔偿，

1. 严重疾病保险的理赔单数高于死亡
2. 严重疾病保险的投保额相对很低

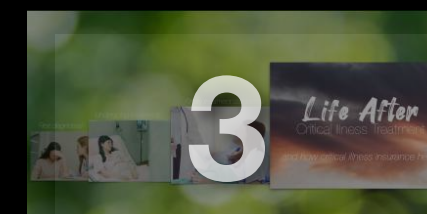

"2020年，马来西亚约有49,000人被估计为新被诊断出患有癌症。  
到2030年，每年将有超过66,000名马来西亚人被诊断出患有癌症。"

"根据马来西亚统计部门的数据，缺血性心脏病在2000年至2020年期间仍然是死亡的首要原因。"

# 48种严重疾病 48 Critical Illnesses

## 脑部疾病 Brain Disease

- 1. Stroke / 中风
- 9. Coma / 昏迷
- 10. Benign Brain Tumour / 良性脑肿瘤
- 18. Encephalitis / 脑炎
- 23. Bacterial Meningitis / 细菌型脑膜炎
- 24. Major Head Trauma / 严重头部重创
- 26. Motor Neuron Disease / 运动神经元疾病
- 27. Parkinson's Disease / 帕金森氏病
- 28. Alzheimer's Disease / Severe Dementia / 阿尔兹海默症 / 严重失智症
- 29. Muscular Dystrophy / 肌肉萎缩症
- 31. Multiple Sclerosis / 多发性硬化症
- 37. Brain Surgery / 脑部手术
- 39. Apallic Syndrome / 植物人状综合症

## 心脏疾病 Heart Disease

- 2. Heart Attack / 心脏病
- 5. Coronary Artery By-Pass Surgery / 冠状动脉绕道手术
- 6. Serious Coronary Artery Disease / 严重冠状动脉疾病
- 21. Heart Valve Surgery / 心脏瓣膜手术
- 30. Surgery to Aorta / 主动脉手术
- 32. Primary Pulmonary Arterial Hypertension / 原发性肺动脉高血压
- 34. Cardiomyopathy / 心肌症
- 48. Angioplasty\* and Other Invasive Treatments for Coronary Artery Disease / 冠状动脉疾病血管成形术和其它侵入性治疗

\*10% of benefits's Face Amount shall be payable, up to a maximum RM25,000. 将支付惠益投保额的10%,最多RM25,000.

## 慢性疾病 Chronic Disease

- 3. Kidney Failure / 肾衰竭
- 4. Cancer / 癌症
- 7. End-Stage Liver Failure / 末期肝脏衰竭
- 8. Fulminant Viral Hepatitis / 急性肝衰竭
- 15. HIV Infection due to Blood Transfusion / 因输血而感染爱滋病
- 16. Full Blown AIDS / 爱滋病爆发
- 17. End-Stage Lung Disease / 末期肺病
- 19. Major Organ / Bone Marrow Transplant / 主要器官 / 骨髓移植
- 25. Chronic Aplastic Anaemia / 慢性再生障碍性贫血
- 33. Medullary Cystic Disease / 肾髓质囊肿疾病
- 35. Systemic Lupus Erythematosus with Severe Kidney Complications / 伴随严重肾脏并发症的全身红斑狼疮症
- 36. Occupationally Acquired HIV Infection / 因职业感染HIV病毒
- 38. Terminal Illness / 绝症
- 40. Chronic Relapsing Pancreatitis / 慢性复发性胰脏炎
- 41. Creutzfeldt-Jakob Disease (Mad Cow Disease) / 克雅综合症(疯牛症)
- 42. Elephantiasis / 象皮病
- 43. Poliomyelitis / 小儿麻痹症
- 44. Progressive Scleroderma / 渐进性硬皮病
- 45. Chronic Autoimmune Hepatitis / 慢性自身免疫性肝炎
- 46. Crohn's Diseases with Fistula / 克罗恩氏病伴有瘻管并发症
- 47. Severe Eisenmenger's Syndrome / 严重艾森曼格综合征

## 其他疾病 Other Disease

- 11. Paralysis of Limbs / 肢体瘫痪
- 12. Blindness / 失明
- 13. Deafness / 失聪
- 14. Third Degree Burns / 第三级烧伤
- 20. Loss of Speech / 丧失说话能力
- 22. Loss of Independent Existence / 丧失独立生活能力

# 住院21天或超过21天的Manulife医药索偿情况

| No. | 索偿原因     | 住院日数 | 手术 |

## Misconception of Critical Illness Insurance

严重疾病保险的误区

严重疾病保险的误区

# Misconception of #1

Critical Illness Insurance

严重疾病险只能以  
**一份保单理赔而已**  
(就如医药卡)

严重疾病险可以  
**多份保单理赔**

# 案例 严重疾病险多份保单理赔

B先生的案例：  
“心脏搭桥手术”

严重疾病险理赔 | (No. 5) 冠状动脉绕道手术

保险公司 A

Critical Illness Insurance

保单 1

严重疾病险保额

RM 50,000

保险公司 B

Critical Illness Insurance

保单 2

严重疾病险保额

RM 300,000

保险公司 M

Critical Illness Insurance

保单 3

严重疾病险保额

RM 500,000

保险公司 M

Critical Illness Insurance

保单 4

严重疾病险保额

RM 1,000,000

B先生

所得理赔总额

= RM 1,850,000

严重疾病保险的误区

# Misconception of **#2** Critical Illness Insurance Employee Benefits

雇主已经为员工**提供**疾病险保障

雇主**鲜少**为员工提供疾病险

一般上，员工所得到的保险福利也只是**入门级**的医药卡保障

## (1) 中风

### 合同条款定义

### 理赔条件 (A)

### 理赔条件 (B)

### 非保障范围

### 理赔文件

因供血不足、颅内出血或来自颅外源的栓塞而导致脑组织死亡，结果是持久的神经功能障碍和持续的临床症状。 诊断必须基于 CT 扫描或 MRI 上所见的变化，并由神经学家证明。至少需要三(3)个月的评估期。 以下不包括在内:

- (a)短暂性缺血性发作
- (b)由偏头痛引起的脑症状
- (c)脑组织或血管的创伤性损伤
- (d)影响眼睛或视神经或前庭功能的血管疾病

## 问题

房贷款批核：  
凭什么条件？

A) 收入

B) 年龄

C) 健康状况

房贷款批核：  
凭什么条件？

## 答案

A) 收入 (首要考量)

B) 年龄

C) 健康状况 ❌

收入：审核偿还房贷款的能力

年龄：用以决定房贷款期限 (Max 至 70岁)

但是，  
**健康状况**完全不是条件之一吗？

我们先来了解：

# 什么是收入？

(到下一页)

# 收入定律

$$\begin{array}{ccccc} \text{事业} & \times & \text{时间} & \times & \text{能力} \\ \text{(公司)} & & \text{(工作时间)} & & \text{(工作能力)} \end{array}$$

## 能力 (工作能力) 的定义

*Based on National Library of Medicine (USA)*

1. 拥有健康
2. 基本标准完成一项工作的能力
3. 用于管理某种工作所需的基本相关职业知识

"有健康，才有收入"

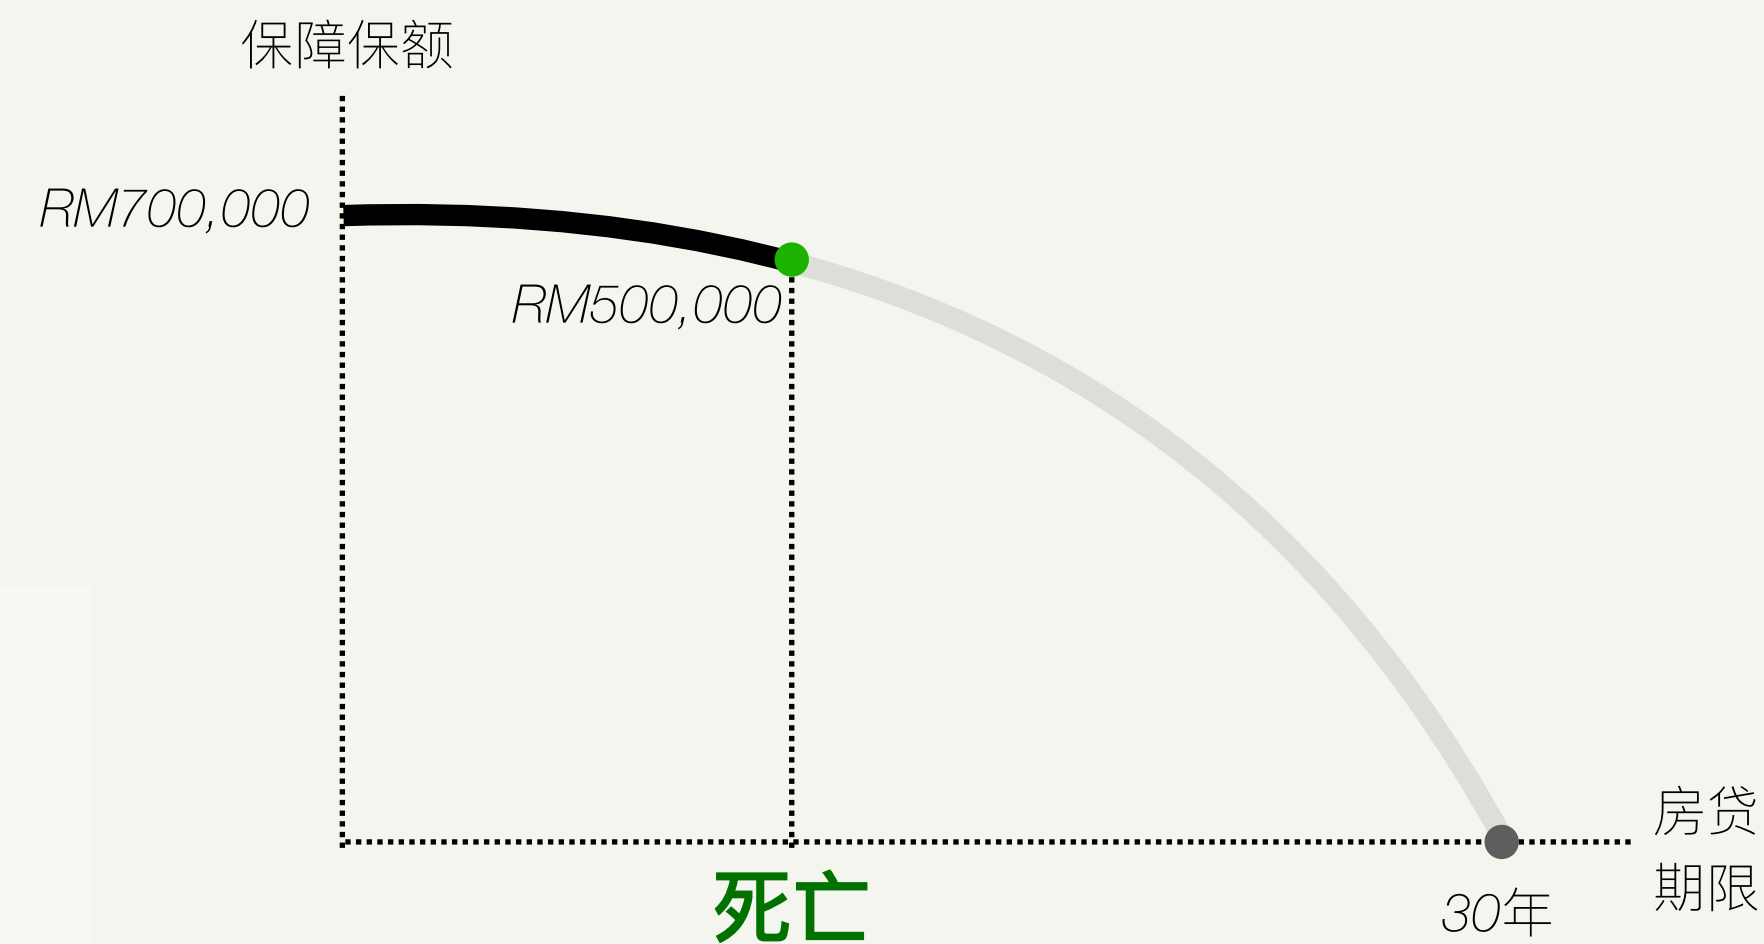

# 我们现在可能拥有的房贷保障

重建 未来美好生活的憧憬

## 1. 我们会买医药卡的原因是什么？

☐

担心私人医院的昂贵费用

☐

不想因疾病而连累家人

☐

不相信政府医院的医疗速度

## 2. 我们将会总共缴付多少医药卡保单保费？ 假设未来没有升级医药卡

年度保费：RM 每月保费 x 12 = RM \_\_\_\_\_ (A)

保费缴付年数：80岁\* - \_\_\_\_\_ = \_\_\_\_\_ 年 (B)

\*马来西亚人预期寿命 ~80岁

B 年总付保费：(A) x (B) = RM \_\_\_\_\_

## 思考站

我们一生会为医药卡保单付下一笔不小的总保费.....

其实，我们真正最担心的是以下哪一类型医药卡索赔？

☐

轻微型索赔 (RM5,000 - RM10,000)

☐

严重型索赔 (RM300,000 - RM500,000)

重建 未来美好生活的憧憬

医药卡的误区

## 医药卡认知测试

严重型的医药卡索赔 (RM300,000 - RM500,000) 其实是属于  
**严重疾病**治疗，比如：癌症治疗

### 1. 当严重疾病来袭时，医药卡是否能承担所有的医药费用？

☐

能

☐

不能

☐

不确定

## 2. 医药卡和严重疾病保险，是不是一样的？

☐

是

☐

不是

☐

不确定

### 思考站

医药卡真的能承担严重疾病**一切**的医疗费用吗？

让我们一起从  里，寻找以上问题的答案

## 生活费替代收入

| 生活费事项                     | 每月数额(RM) | 1 年数额(RM) |
|---------------------------|----------|-----------|
| 房屋贷款                      |          |           |
| 汽车贷款                      |          |           |
| 汽车保险                      | -        |           |
| 子女教育(费用与储蓄)               |          |           |

# 如果创业是 唯一的途径

## 那么,生意的选择就必须 以市场的潜能和发展为导向

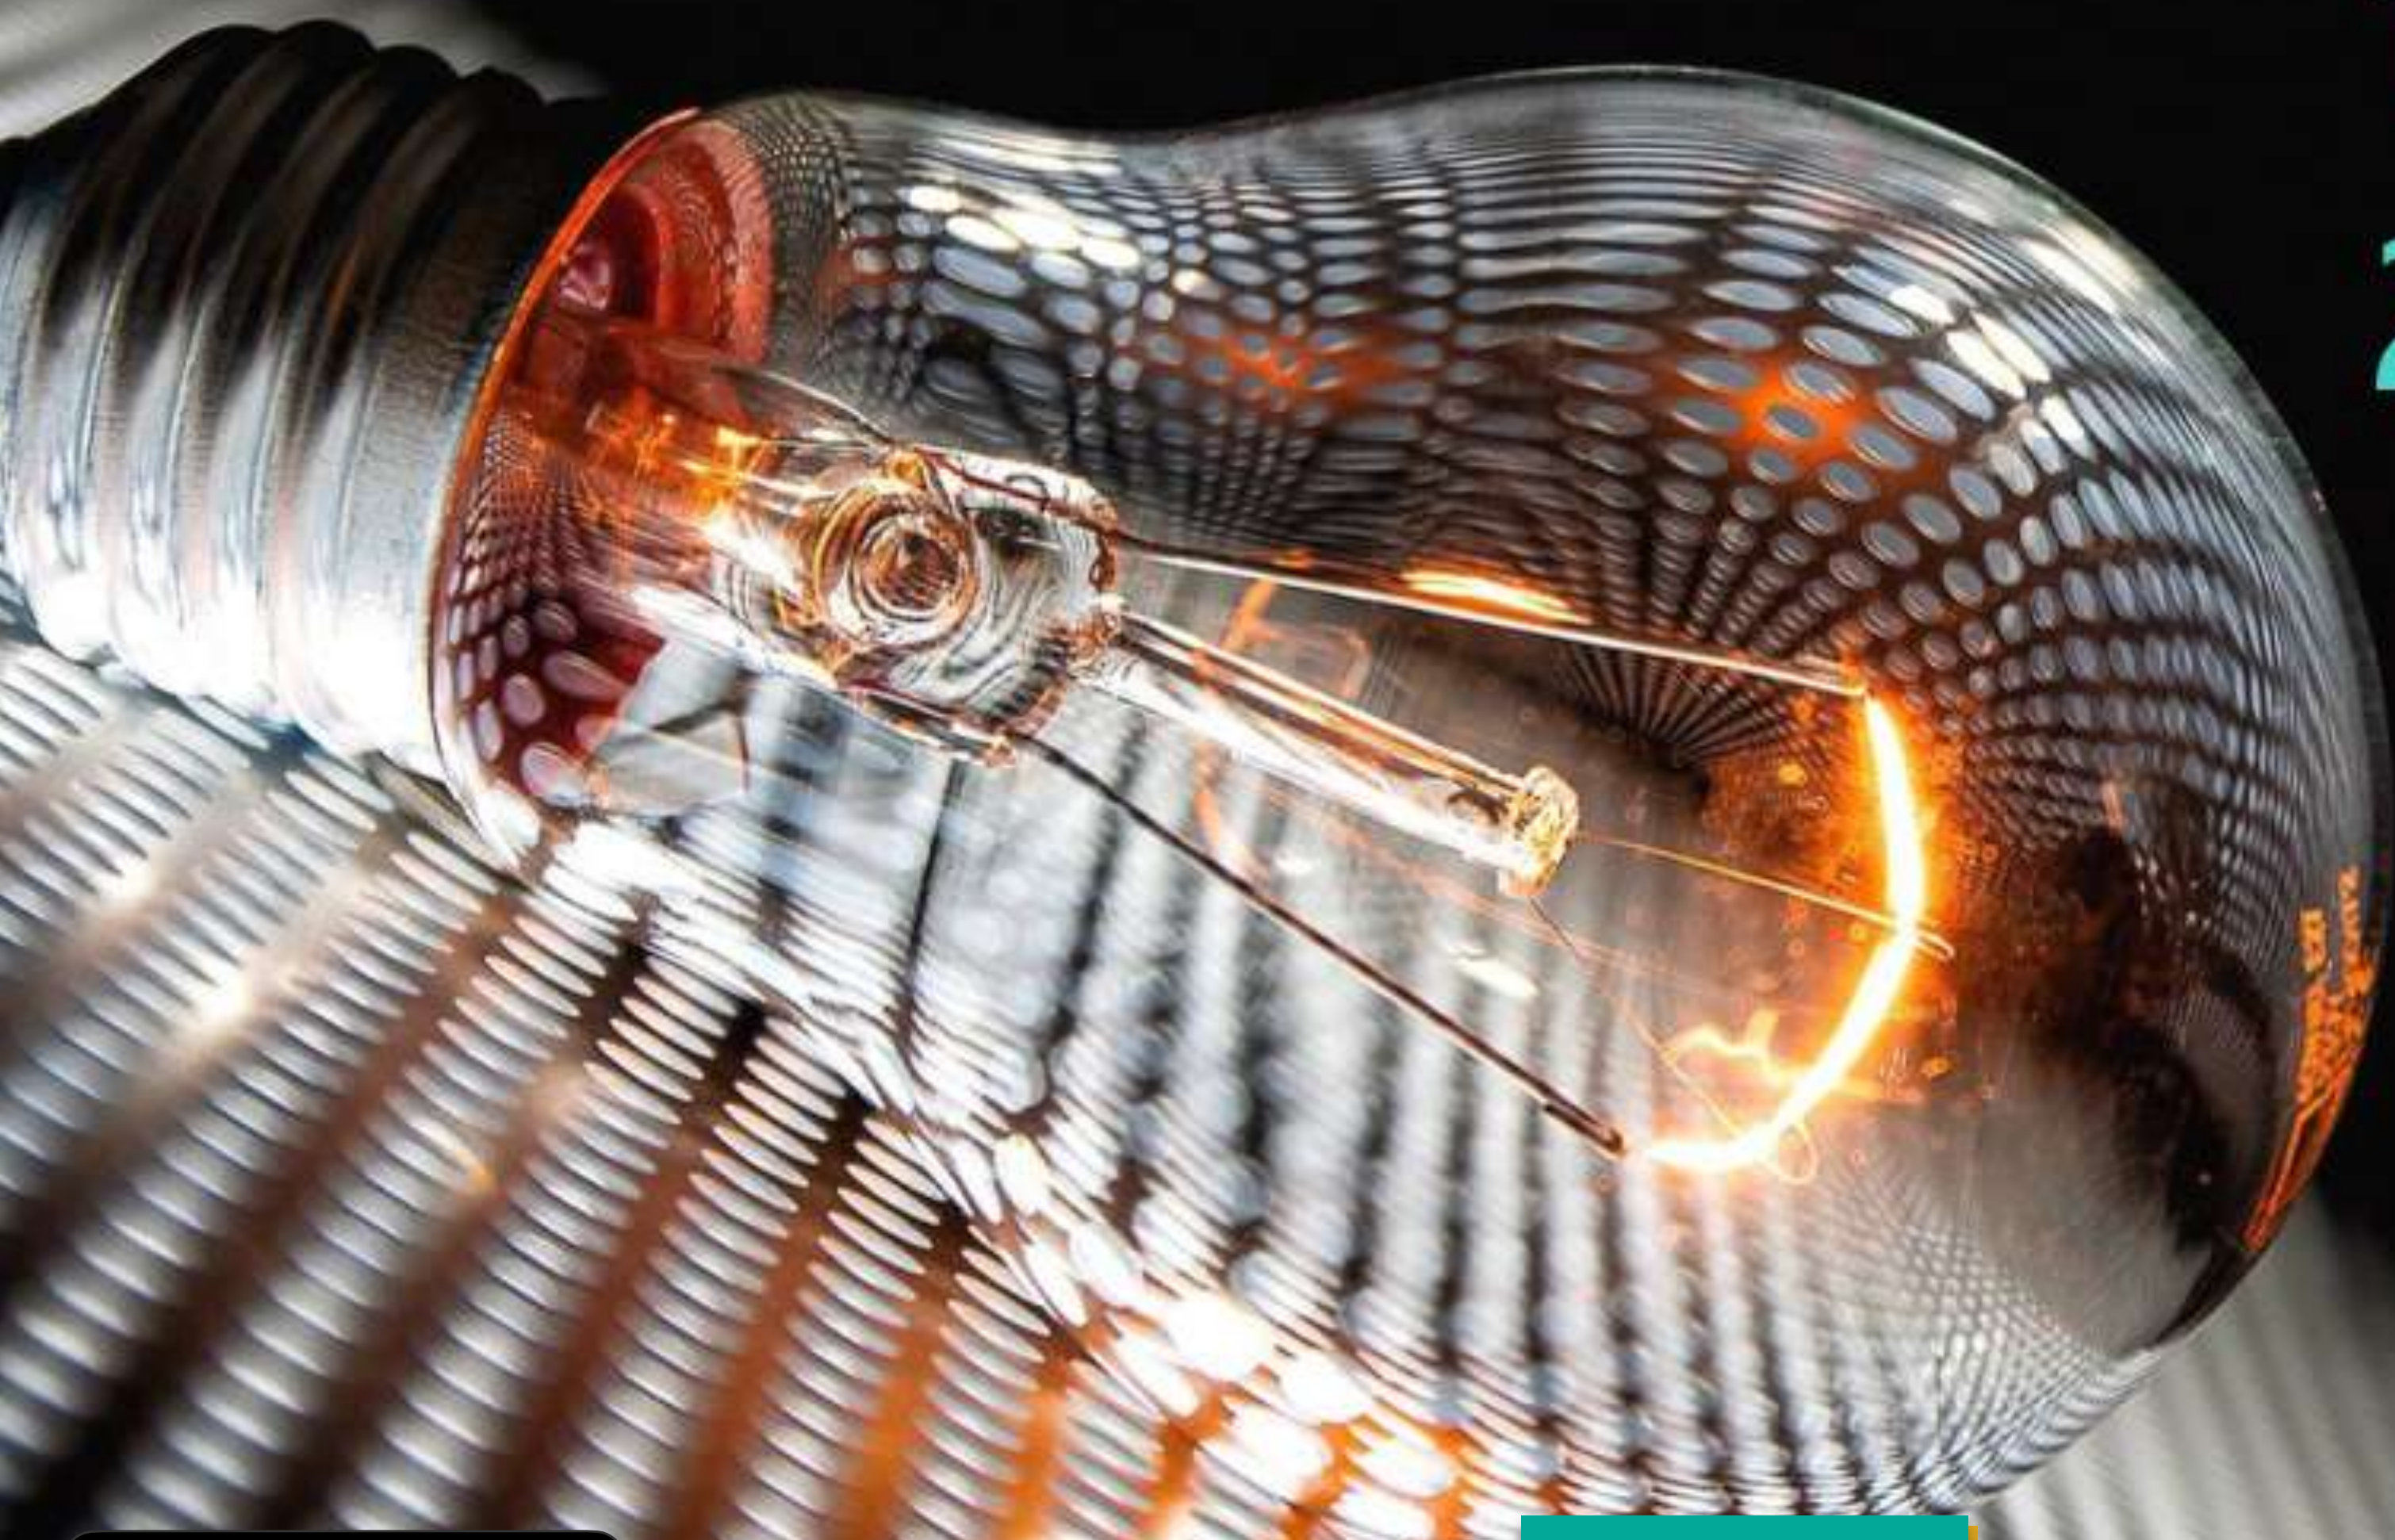

很多人都知道  
保险业赚钱，  
但为何就是  
不想涉足？

# 保险创业的2大迷思

1. 没有销售经验?
2. 保险没有市场?

# 1. 没有销售经验

DU Life有一个全面的系统来学习有效的销售技能

## 2.保险产品还有没有市场？

严重疾病  
普遍化与年轻化

通货膨胀

人生不同阶段  
有不同的需求

每个人都有  
不同的市场

你相信生意会火爆，  
是因为趋势吗？

趋势

# 梦联所看到这庞大的市场

医药卡

严重疾病

医药卡  
覆盖所有费用？

严重性疾病  
=  
即死无疑？

# 保险2 大迷思

梦联决定从2023年3月开始  
进军一直被忽视的市场

| 总收入 |      |      | 20k | 40k | 30k | 25k | 30k | 30k | 15k |

## 晋升机制

个人销售：RM86,400 (12个月)  
 招募1名代理并完成RM12,000业绩

|     |                        |           |      |    |    |    |    |    |     |
|-----|------------------------|-----------|------|----|----|----|----|----|-----|
| 第一年 | 6年佣金列表                 | 产品 / 年份   | 1    | 2  | 3  | 4  | 5  | 6  | 总计  |
|     |                        | 投资联营保单(%) | 20+5 | 20 | 10 | 15 | 15 | 15 | 100 |
|     | 招募奖金 <i>Up to 15%*</i> |           |      |    |    |    |    |    |     |

第一年赚取  
**RM43,200**

(RM3,600/月)

$RM86,400 \times 20\% \text{ 佣金} = \text{RM17,280}$   
 $3\text{个代理} \times RM86,400 \times \text{招募奖金 } 10\% = \text{RM25,920}$

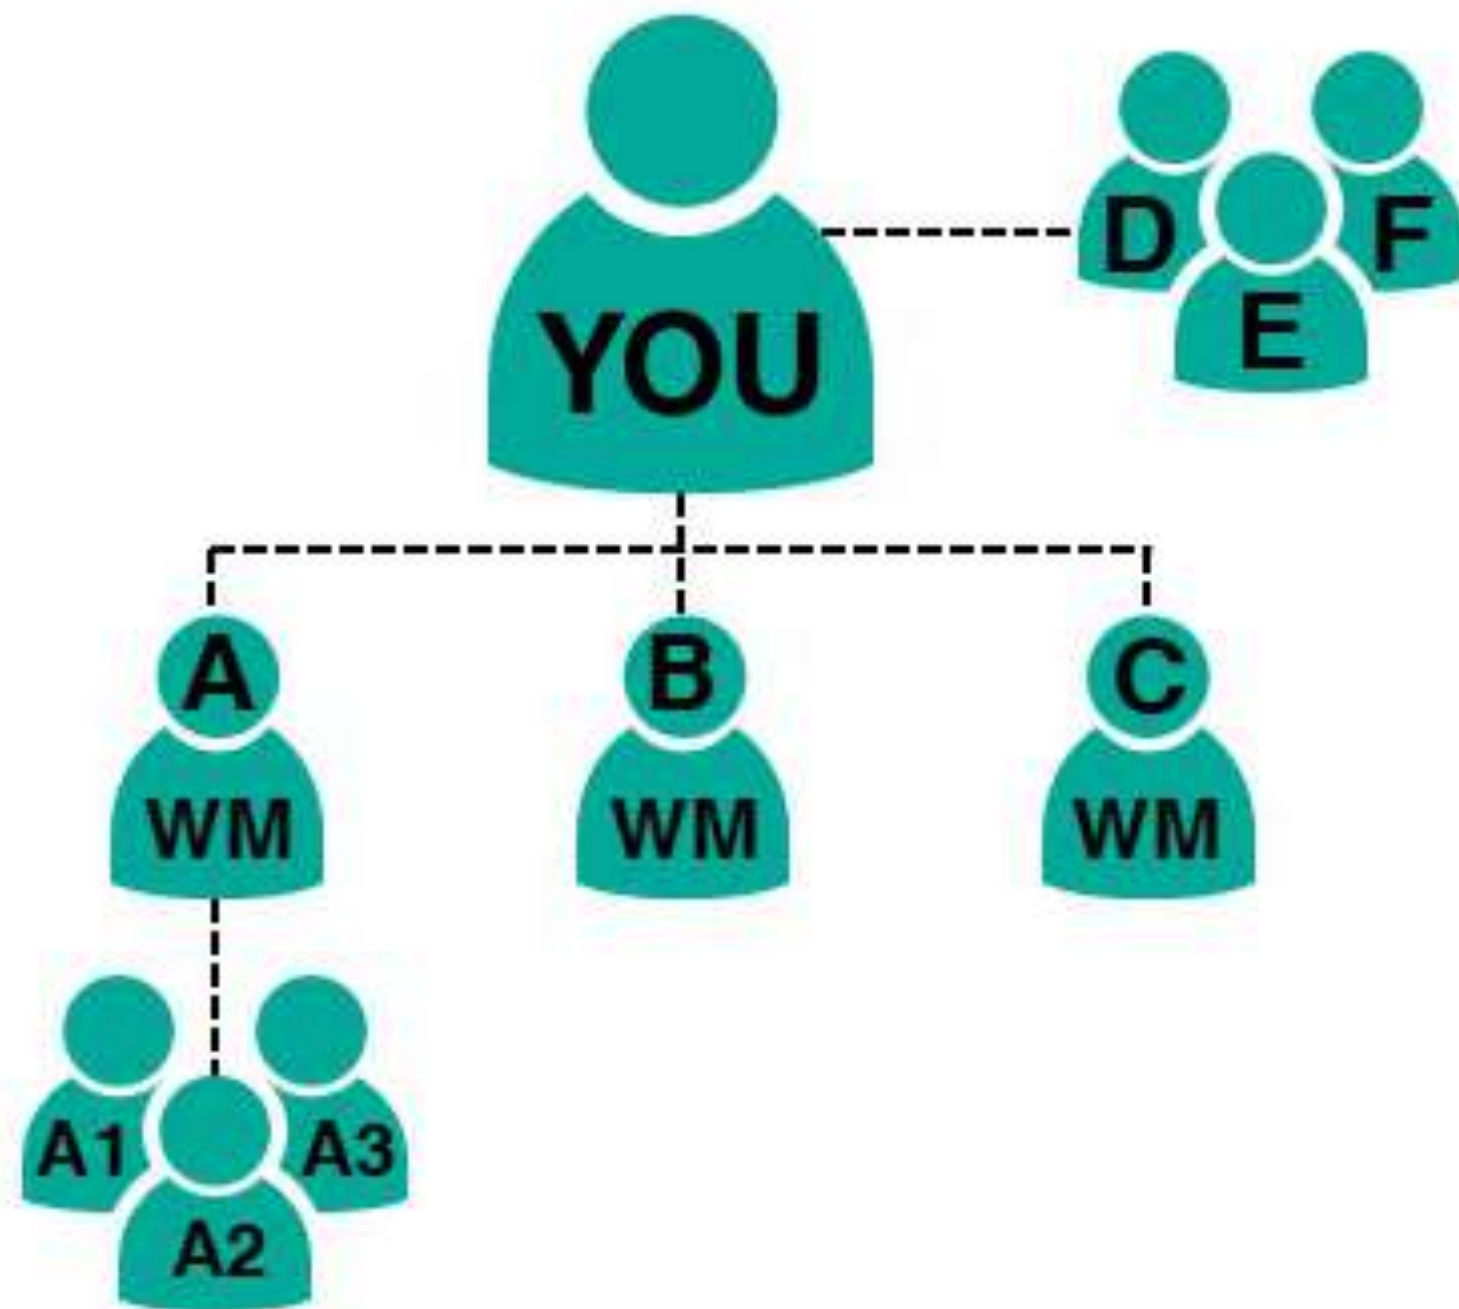

如新成员完成RM100K以上，梦联将调整招募奖金至15%

| 随后的几年<br>续约佣金 | 产品 / 年份   | 1    | 2  | 3  | 4  | 5  | 6  | 总计  |
|---------------|-----------|------|----|----|----|----|----|-----|
|               | 投资联营保单(%) | 20+5 | 20 | 10 | 15 | 15 | 15 | 100 |
| 招募奖金          |           | 10%  |    |    |    |    |    |     |

| 第二年<br><br>升职后 | 集团销售<br>Overriding<br><br>随后的几年<br>Group Overriding: | Level/Year             | 1 | 2 | 3   | 4 | Total |
|----------------|------------------------------------------------------|------------------------|---|---|-----|---|-------|
|                |                                                      | Direct Overriding      | 7 | 7 | 7   | 5 | 26    |
|                |                                                      | Level 1 WM (%)         | 5 | 5 | 4.5 | 3 | 17.5  |
|                |                                                      | Level 2 WM (%)         | 4 | 4 | 2.5 | 1 | 11.5  |
|                |                                                      | Level 3 WM (%)         | 2 | 2 | 1   | 1 | 6     |
|                |                                                      | Level 4 WM & Above (%) | 2 | - | -   | - | 2     |

在第二年赚  
**RM136,512**

$$\text{RM86,400} \times (20\% \text{ 更新} + 20\% \text{ 新生意} + 7\% \text{ direct overriding}) = \underline{\underline{\text{RM40,608}}} \quad \text{1}$$

$$D + E + F = 3 \text{ 个新代理} \times \text{RM86,400} \times (10\% \text{ 招聘奖金} + 7\% \text{ direct overriding}) = \underline{\underline{\text{RM44,064}}} \quad \text{2}$$

$$3 \text{ 位组经理} \times 4 \text{ 个代理} \times \text{RM86,400} \times 5\% \text{ level 1 overriding} = \underline{\underline{\text{RM51,840}}} \quad \text{3}$$

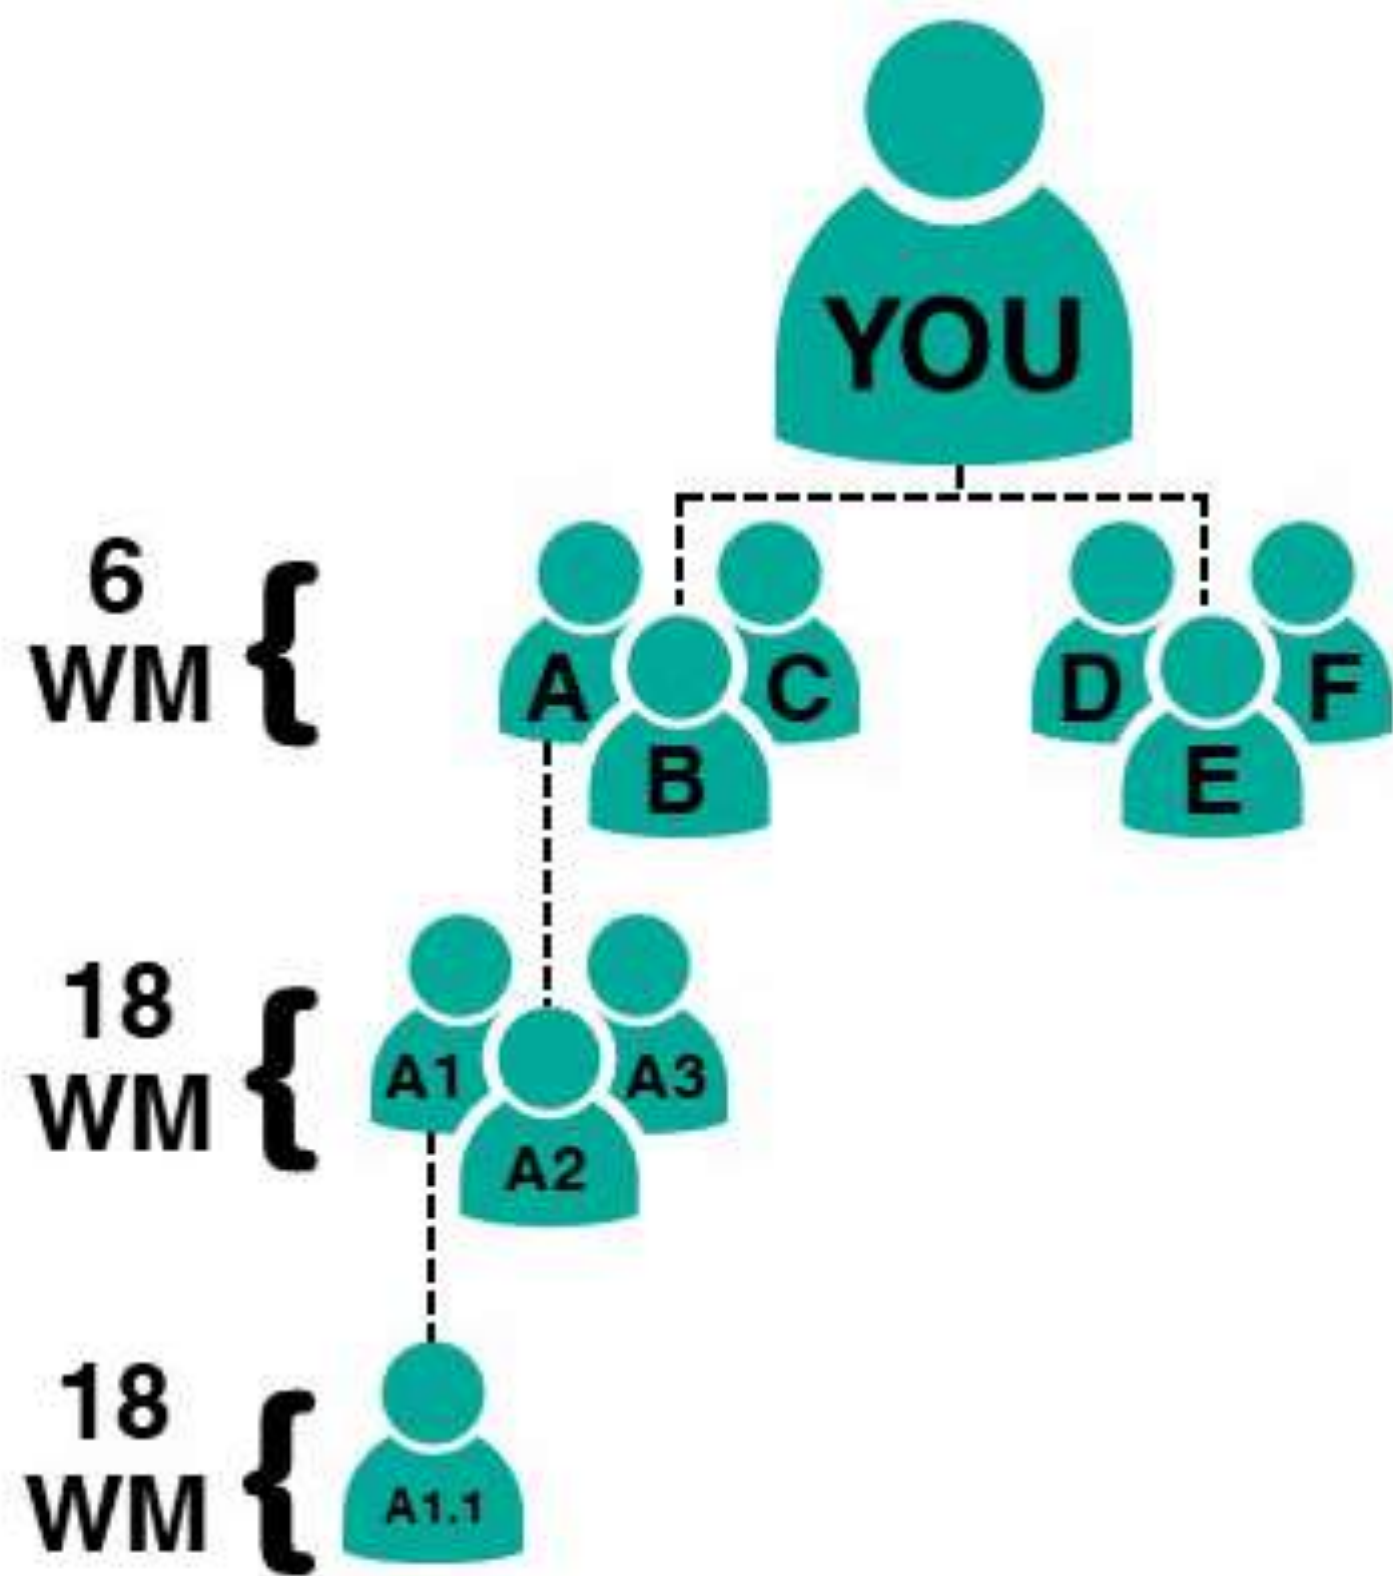

三到五年

## 集团销售 Overriding

随后的几年  
Group Overriding:

| Level/Year          | 1 | 2 | 3   | 4 | Total |
|---------------------|---|---|-----|---|-------|
| Level 1 (%)         | 5 | 5 | 4.5 | 3 | 17.5  |
| Level 2 (%)         | 4 | 4 | 2.5 | 1 | 11.5  |
| Level 3 (%)         | 2 | 2 | 1   | 1 | 6     |
| Level 4 & Above (%) | 2 | - | -   | - | 2     |

$$6 \text{ 位组经理} \times 4 \text{ 个代理} \times \text{RM}86,400 \times 5\% = \underline{\text{RM}103,680} \quad \text{Level 1}$$

$$18 \text{ 位组经理} \times 4 \text{ 个代理} \times \text{RM}86,400 \times 4\% = \underline{\text{RM}248,832} \quad \text{Level 2}$$

$$18 \text{ 位组经理} \times 4 \text{ 个代理} \times \text{RM}86,400 \times 2\% = \underline{\text{RM}124,416} \quad \text{Level 3}$$

Level 1 + Level 2 + Level 3

赚

**RM476,928**

| Campaign Period | 1 January 2024 to 31 March 2024 (Issued by 15 April 2025)                                                                                                                                                                                                          |                                               |

- This Campaign will run from 1 February 2025 to 31 March 2025, both dates inclusive (Campaign Period).
- All new business applications must be submitted within the Campaign Period and issued by 15 April 2025 with minimum Annualised Premium (AP) of RM4,300 for ManuLink Essential, ManuLink Essential Plus, ManuLink Wealth and Manulife Asset Shield; and RM8,200 for ManuLink Premier 8 & 12 Pay.
- All policies of ManuLink Essential, ManuLink Essential Plus, ManuLink Wealth or ManuLink Premier (8 & 12 Pay) must be attached with Advance Beyond Critical Cover or Beyond Critical Cover or Beyond Critical Cover+ rider. No rider attachment is required for Manulife Asset Shield.
- AP is not inclusive of premiums paid for MaxiSave 2, Regular Saver Top-up and Single Top-up.
- The policy must be paid using Third Party Payor or Policy Owner's credit/debit card auto debit.
- All applications must be completed with the following customer information accurately: (a) NRIC Number; (b) Bank account details (Name of bank and account number); (c) Mobile Number; (d) Email Address (to receive email notification once cashback has been credited).
- Policy must be in force and Modal Premium has to be paid-to-date at the time of the cashback crediting.
- Each insured will only be eligible for cashback on one policy only. If a Policy Owner purchases two policies for two different insureds, the Policy Owner will receive two separate cashbacks. If a Policy Owner purchases more than two policies for the same insured, the Policy Owner will receive one cashback only, which policy with the highest AP.
- Not applicable for any Replacement of Policy or Agent's Own Case.
- Cashback will be credited to policy owner's bank account by 15 December 2025.
- Successful applicants are not eligible to participate in any other Manulife Insurance Berhad (MIB) campaigns that are running concurrently.
- MIB reserves the right to withhold the cashback if any of the terms are not fulfilled.
- MIB may in its sole discretion disqualify any enrolment due to any reason deemed appropriate and shall not be liable for such disqualification or any loss resulting thereof.
- MIB may vary these Terms and Conditions, or withdraw, terminate, or suspend this Campaign at any time without prior notice or liability to any party. In the event that changes are made to these Terms and Conditions, the revised Terms and Conditions will be posted on [www.manulife.com.my/ongsomecashback](http://www.manulife.com.my/ongsomecashback). Please check the website page regularly to take notice of any changes.

# Beyond Critical Cover

Maximum face amount  
per life is RM 500,000

Cover the **Critical Event**  **Not Just** the Critical Illness

\*50% of the rider's face amount subject  
to a maximum of RM125,000 per life

**48 Critical  
Illnesses**

**Continuous  
ICU Stay  
≥ 10 Days**

**Continuous  
Hospital Stay  
≥ 21 Days**  
*(Due to Surgery)*

**Continuous  
ICU Stay  
≥ 10 Days\***  
*(Due to Dengue)*

Now let us look at Actual Manulife Medical Claims with hospitalisation of 21 days and above

| No. | Cause of Claim Event   | Length of Stay | Surgery |

| Waiting Period | Events                                                                                                                                                                                                                                                                                       |
|----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 30 days        | (a) All Admission Events except for cancer and cardiac related conditions<br>(b) All Covered Critical Illnesses except for Heart Attack, Cancer, Coronary Artery By-pass Surgery, Serious Coronary Artery Disease, and Angioplasty and Other Invasive Treatments for Coronary Artery Disease |
| 60 days        | (a) Cancer and cardiac-related conditions under Admission Events<br>(b) Heart Attack, Cancer, Coronary Artery By-pass Surgery, Serious Coronary Artery Disease, and Angioplasty and Other Invasive Treatments for Coronary Artery Disease                                                    |

## 2 Admission Events (hospitalisation): *within Hospital in Malaysia only*

## 3 Exclusions

Benefits for Beyond Critical Cover shall not be payable if the:

1. Events are due to a pre-existing condition at the Issue Date or Reinstatement Date, whichever is later; or
2. Events are caused directly or indirectly, by alcohol or substance abuse, congenital abnormalities including physical defects present from birth, attempted suicide or intentional self-inflicted injury; or
3. Covered Critical Illnesses are caused due to participation in any hazardous pursuits, such as, but not limited to, mountaineering, scuba diving, hang gliding, racing on horses or wheels, etc; or
4. Admission Event is due to any treatment or surgical procedure for congenital abnormalities or deformities including hereditary and developmental conditions; or
5. Admission Event is due to pregnancy or pregnancy related conditions including childbirth (whether surgical or otherwise), miscarriage, abortion and prenatal or postnatal care and surgical, mechanical or chemical contraceptive methods of birth control or treatment pertaining to infertility, erectile dysfunction and tests or treatment related to impotence or sterilisation; or
6. Admission Event is due to elective surgeries or procedures such as but not limited to plastic/cosmetic surgery, gender changes, bariatric surgery or any experimental, investigational or surgery of research nature; or
7. Admission Event is due to rest cures or sanatoria care, illegal drugs, intoxication, sterilisation, venereal disease and its sequelae, AIDS (Acquired Immune Deficiency Syndrome) or ARC (AIDS-Related Complex) and HIV-related diseases; or
8. Admission Event is due to suicide, attempted suicide or intentionally self-inflicted injuries while sane or insane; or
9. Admission Event is due to psychotic, mental or nervous disorders (including psychosis, neurosis and their physiological psychosomatic manifestations); or
10. Admission Event is due to non-compliance with prescribed medication or treatment; or
11. Admission Event is due to war or any act of war, declared or undeclared, criminal or terrorist activities, active duty in any armed forces, direct participation in strikes, riots and civil commotion or insurrection; or
12. Admission Event is due to ionising radiation or contamination by radioactivity from any nuclear fuel or nuclear waste from process of nuclear fission or from any nuclear weapons material; or
13. Admission Event is due to communicable disease requiring quarantine by law or any infectious diseases declared as a Public Health Emergency of International Concern (PHEIC) according to World Health Organisation, **unless it requires an ICU stay necessitating mechanical ventilation for at least 10 consecutive days.**

Please note that the list of exclusions above is not exhaustive and the qualifying period may apply. You are advised to refer to the policy contract for full details of exclusions.

 **Not Covered**

Traditional Complementary/  
Chinese Medicine (TCM)  
*(Critical Illness Treatment)*

## ***Integrative Treatment of Cancer with TCM***

Traditional Chinese medicine herbal therapy can assist Western medical treatments in the treatment of cancer by:

1. Helping alleviate the side effects during Western medical treatments and reducing patient suffering.
2. Mitigating the adverse reactions caused by chemotherapy and radiotherapy.
3. Enhancing patient survival rates and improving quality of life (traditional Chinese medicine can play a beneficial role in post-chemotherapy recovery)

# #1 Critical Illness Insurance Claim Risk is **HIGH** or **LOW** ?

| Claims type             | No. of Cases | Amount Paid (RM)     |
|-------------------------|--------------|----------------------|
| Medical (HS & HB)       | 16,269       | RM 75,125,817        |
| Death                   | 710          | RM 26,005,035        |
| <b>Critical Illness</b> | <b>783*</b>  | <b>RM 17,843,269</b> |

Against Death claim,

1. Critical Illness Insurance number of claims is higher
2. Critical Illness Insurance insured amount is much lower.

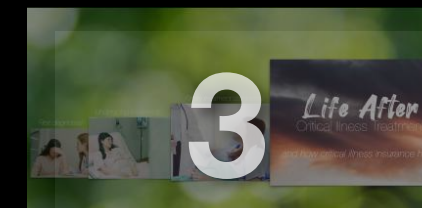

"About 49,000 people in Malaysia were estimated to be newly diagnosed with cancer in 2020. More than **66,000** Malaysians to be diagnosed with cancer annually by 2030"

"According to the Department of Statistics Malaysia, Ischaemic Heart Disease continued to be the **No.1** cause of mortality from 2000-2020"

Malaysian Life Expectancy in

**Year 1950**

**52.8 years old**

1. Lack of **health awareness** eg. Yearly medical check, Not knowing critical illness early symptoms
2. Lack of **healthcare facilities and expertise**

Scenario :

***A heart attack at age 52 in 1950s may directly leads to death due to **unaware of early symptoms.*****

## Malaysian Life Expectancy in

Year 2022

52.8  
years old  
(1950)

76.51  
years old

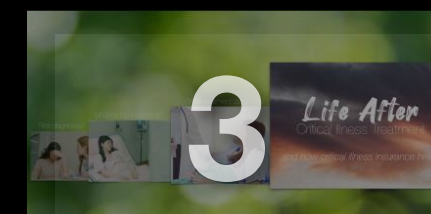

1. We are educated to **detect early symptoms** of critical illness
2. Most of us **Owns Medical Card**, making us won't shy away from private hospitals when hospitalisation needed.

Medical technology advancement greatly increases our survival against critical illnesses

**With treatment, and 3-5 years full recovery time, it is possible to live a long and fulfilling life**

# 48种严重疾病 48 Critical Illnesses

## 脑部疾病 Brain Disease

- 1. Stroke / 中风
- 9. Coma / 昏迷
- 10. Benign Brain Tumour / 良性脑肿瘤
- 18. Encephalitis / 脑炎
- 23. Bacterial Meningitis / 细菌型脑膜炎
- 24. Major Head Trauma / 严重头部重创
- 26. Motor Neuron Disease / 运动神经元疾病
- 27. Parkinson's Disease / 帕金森氏病
- 28. Alzheimer's Disease / Severe Dementia / 阿尔兹海默症 / 严重失智症
- 29. Muscular Dystrophy / 肌肉萎缩症
- 31. Multiple Sclerosis / 多发性硬化症
- 37. Brain Surgery / 脑部手术
- 39. Apallic Syndrome / 植物人状综合症

## 心脏疾病 Heart Disease

- 2. Heart Attack / 心脏病
- 5. Coronary Artery By-Pass Surgery / 冠状动脉绕道手术
- 6. Serious Coronary Artery Disease / 严重冠状动脉疾病
- 21. Heart Valve Surgery / 心脏瓣膜手术
- 30. Surgery to Aorta / 主动脉手术
- 32. Primary Pulmonary Arterial Hypertension / 原发性肺动脉高血压
- 34. Cardiomyopathy / 心肌症
- 48. Angioplasty\* and Other Invasive Treatments for Coronary Artery Disease / 冠状动脉疾病血管成形术和其它侵入性治疗

\*10% of benefits's Face Amount shall be payable, up to a maximum RM25,000. 将支付惠益投保额的10%,最多RM25,000.

## 慢性疾病 Chronic Disease

- 3. Kidney Failure / 肾衰竭
- 4. Cancer / 癌症
- 7. End-Stage Liver Failure / 末期肝脏衰竭
- 8. Fulminant Viral Hepatitis / 急性肝衰竭
- 15. HIV Infection due to Blood Transfusion / 因输血而感染爱滋病
- 16. Full Blown AIDS / 爱滋病爆发
- 17. End-Stage Lung Disease / 末期肺病
- 19. Major Organ / Bone Marrow Transplant / 主要器官 / 骨髓移植
- 25. Chronic Aplastic Anaemia / 慢性再生障碍性贫血
- 33. Medullary Cystic Disease / 肾髓质囊肿疾病
- 35. Systemic Lupus Erythematosus with Severe Kidney Complications / 伴随严重肾脏并发症的全身红斑狼疮症
- 36. Occupationally Acquired HIV Infection / 因职业感染HIV病毒
- 38. Terminal Illness / 绝症
- 40. Chronic Relapsing Pancreatitis / 慢性复发性胰脏炎
- 41. Creutzfeldt-Jakob Disease (Mad Cow Disease) / 克雅综合症(疯牛症)
- 42. Elephantiasis / 象皮病
- 43. Poliomyelitis / 小儿麻痹症
- 44. Progressive Scleroderma / 渐进性硬皮病
- 45. Chronic Autoimmune Hepatitis / 慢性自身免疫性肝炎
- 46. Crohn's Diseases with Fistula / 克罗恩氏病伴有瘻管并发症
- 47. Severe Eisenmenger's Syndrome / 严重艾森曼格综合征

## 其他疾病 Other Disease

- 11. Paralysis of Limbs / 肢体瘫痪
- 12. Blindness / 失明
- 13. Deafness / 失聪
- 14. Third Degree Burns / 第三级烧伤
- 20. Loss of Speech / 丧失说话能力
- 22. Loss of Independent Existence / 丧失独立生活能力

# Beyond Critical Cover

## 1 Waiting Period

| Waiting Period | Events                                                                                                                                                                                                                                                                                       |
|----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 30 days        | (a) All Admission Events except for cancer and cardiac related conditions<br>(b) All Covered Critical Illnesses except for Heart Attack, Cancer, Coronary Artery By-pass Surgery, Serious Coronary Artery Disease, and Angioplasty and Other Invasive Treatments for Coronary Artery Disease |
| 60 days        | (a) Cancer and cardiac-related conditions under Admission Events<br>(b) Heart Attack, Cancer, Coronary Artery By-pass Surgery, Serious Coronary Artery Disease, and Angioplasty and Other Invasive Treatments for Coronary Artery Disease                                                    |

## 2 Admission Events (hospitalisation): *within Hospital in Malaysia only*

## 3 Exclusions

Benefits for Beyond Critical Cover shall not be payable if the:

1. Events are due to a pre-existing condition at the Issue Date or Reinstatement Date, whichever is later; or
2. Events are caused directly or indirectly, by alcohol or substance abuse, congenital abnormalities including physical defects present from birth, attempted suicide or intentional self-inflicted injury; or
3. Covered Critical Illnesses are caused due to participation in any hazardous pursuits, such as, but not limited to, mountaineering, scuba diving, hang gliding, racing on horses or wheels, etc; or
4. Admission Event is due to any treatment or surgical procedure for congenital abnormalities or deformities including hereditary and developmental conditions; or
5. Admission Event is due to pregnancy or pregnancy related conditions including childbirth (whether surgical or otherwise), miscarriage, abortion and prenatal or postnatal care and surgical, mechanical or chemical contraceptive methods of birth control or treatment pertaining to infertility, erectile dysfunction and tests or treatment related to impotence or sterilisation; or
6. Admission Event is due to elective surgeries or procedures such as but not limited to plastic/cosmetic surgery, gender changes, bariatric surgery or any experimental, investigational or surgery of research nature; or
7. Admission Event is due to rest cures or sanatoria care, illegal drugs, intoxication, sterilisation, venereal disease and its sequelae, AIDS (Acquired Immune Deficiency Syndrome) or ARC (AIDS-Related Complex) and HIV-related diseases; or
8. Admission Event is due to suicide, attempted suicide or intentionally self-inflicted injuries while sane or insane; or
9. Admission Event is due to psychotic, mental or nervous disorders (including psychosis, neurosis and their physiological psychosomatic manifestations); or
10. Admission Event is due to non-compliance with prescribed medication or treatment; or
11. Admission Event is due to war or any act of war, declared or undeclared, criminal or terrorist activities, active duty in any armed forces, direct participation in strikes, riots and civil commotion or insurrection; or
12. Admission Event is due to ionising radiation or contamination by radioactivity from any nuclear fuel or nuclear waste from process of nuclear fission or from any nuclear weapons material; or
13. Admission Event is due to communicable disease requiring quarantine by law or any infectious diseases declared as a Public Health Emergency of International Concern (PHEIC) according to World Health Organisation, **unless it requires an ICU stay necessitating mechanical ventilation for at least 10 consecutive days.**

Please note that the list of exclusions above is not exhaustive and the qualifying period may apply. You are advised to refer to the policy contract for full details of exclusions.

Isn't Medical Card  
covers Critical Illness  
Insurance?

*Before we spot where was the  
misconception*

*We first understand*

**How Medical Card Works**  
during critical illness

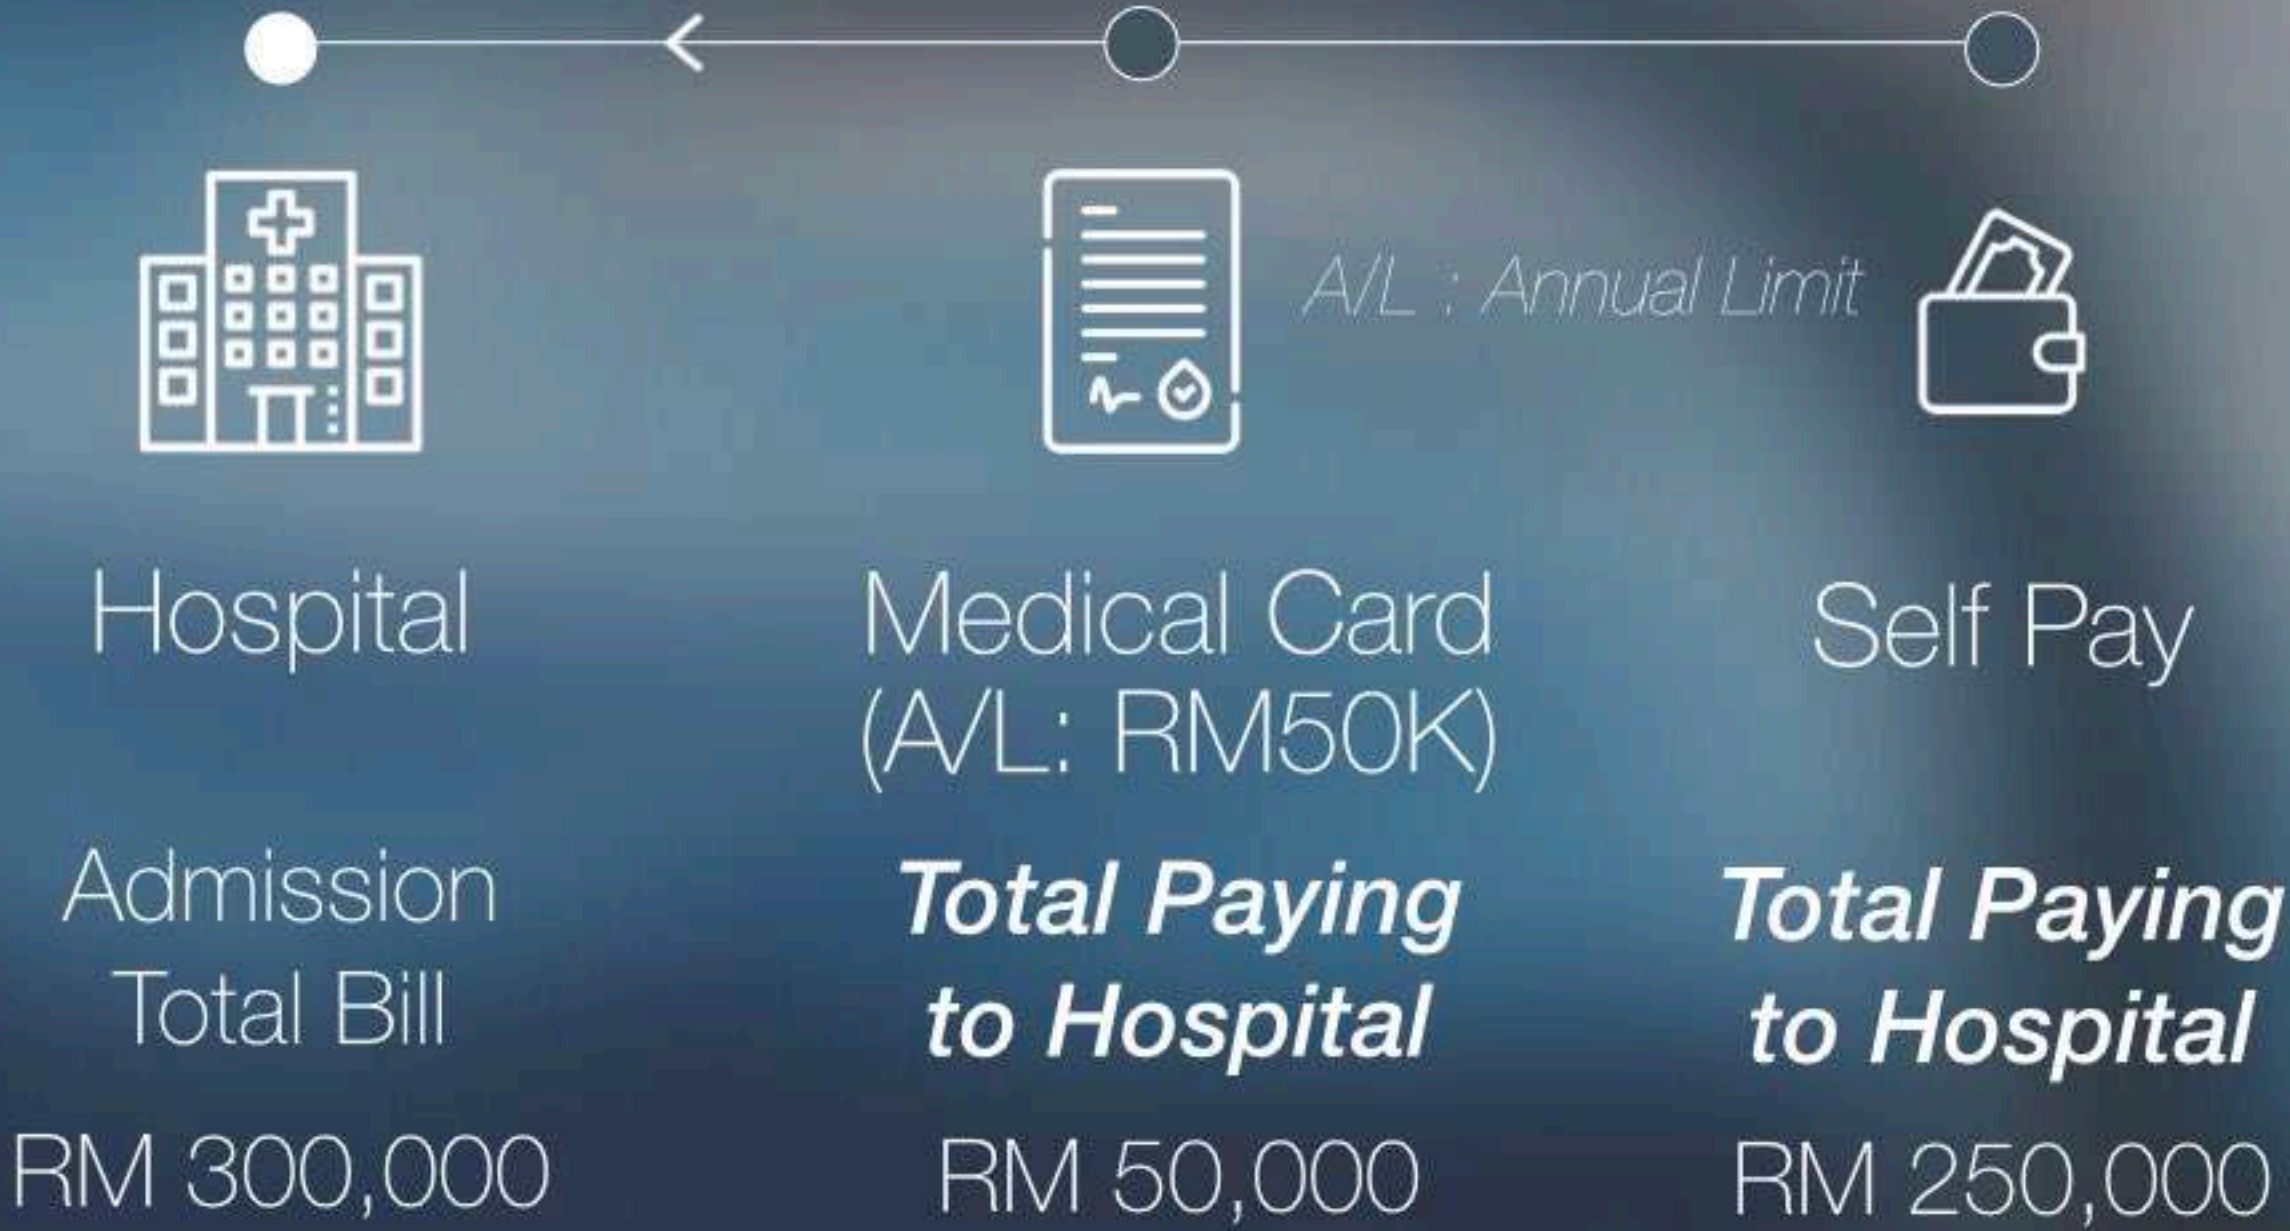

Go to  
Next Page

# Critical Illness Incident : **Cancer**

EDUCATIONAL

## Medical Card claim

Critical Illness Incident : **Cancer**

“What if I have 2 Medical Cards ?”

Medical Card only pays to **Hospital**  
**✗ Not Us** no matter how high is the Annual Limit

# 2 BIG

*Misconception of*  
Critical Illness Insurance

 Go to  
Next Page

# Misconception of **#1**

Critical Illness Insurance

Critical Illness Insurance pays in  
**ONE** policy only  
(Just like medical card)

Critical Illness Insurance allows  
**MULTIPLE**  
**POLICIES CLAIMS**

# Example Multiple Policies Claims

Mr B's Incident :  
**Heart By-Pass Surgery**

**Critical Illness Insurance claim |** (No. 5) Coronary Artery By-Pass Surgery

**COMPANY A**  
*Critical Illness Insurance*

Policy 1  
Face Amount  
**RM 50,000**

**COMPANY B**  
*Critical Illness Insurance*

Policy 2  
Face Amount  
**RM 300,000**

**COMPANY M**  
*Critical Illness Insurance*

Policy 3  
Face Amount  
**RM 500,000**

**COMPANY M**  
*Critical Illness Insurance*

Policy 4  
Face Amount  
**RM 1,000,000**

**Total Receiving**  
**RM 1,850,000**

# Misconception of **#2** Critical Illness Insurance Employee Benefits

Employee is **covered** with  
Critical Illness Insurance by  
Employer

Employee **rarely** being  
covered with Critical Illness  
Insurance.

Most common employee  
benefit is medical card, and  
the coverage is **minimal**

Claims Eligibility (B)

What's Not Covered

Claims Document

Death of brain tissue due to inadequate blood supply, bleeding within the skull or embolization from an extra cranial source resulting in permanent neurological deficit with persisting clinical symptoms. The diagnosis must be based on changes seen in a CT scan or MRI and certified by a neurologist. A minimum Assessment Period of three (3) months applies.

The following are not covered:

- (a) transient ischemic attacks
- (b) cerebral symptoms due to migraine
- (c) traumatic injury to brain tissue or blood vessels
- (d) vascular disease affecting the eye or optic nerve or vestibular functions

### What's Not Covered

### Claims Document

The death of the heart muscle, due to inadequate blood supply, that has resulted in all of the following evidence of acute myocardial infarction:

(a) a history of typical chest pain

(b) new characteristic electrocardiographic changes with the development of any of the following:

i. ST elevation or depression

ii. T wave inversion

iii. pathological Q waves or left bundle branch block; and

(c) elevation of the cardiac biomarkers, inclusive of CPK-MB above the generally accepted normal laboratory levels or Troponins recorded at the following levels or higher:

- Cardiac Troponin T or Cardiac Troponin I  $> / = 0.5$  ng/ml

The evidence must show the occurrence of a definite acute myocardial infarction which should be confirmed by a cardiologist or physician.

The following are not covered:

(a) occurrence of an acute coronary syndrome including but not limited to unstable angina

(b) a rise in cardiac biomarkers resulting from a percutaneous procedure for coronary artery disease

## Specific Documents for this illness

- 1 Coronary Angiogram Report
- 2 Echocardiogram Report

### Standard Documents for CI Claims

- Critical Illness Claimant Statement
- Critical Illness Attending Physician Statement (Heart Related Illnesses)
- Copy of NRIC of insured/payor
- Request for Medical Report and Authorisation to Release Information

# HOME

is a place that provides shelter and warmth for us. It's where family bonds are nurtured, marriages find happiness, children are raised, and parents cared for.

Shouldn't we do everything we can to **protect** it?

[Go to Next Page](#)

## QUESTION

For Home Mortgage Approval :  
**What are the criteria ?**

A) Income

B) Age

C) Health Condition

For Home Mortgage Approval :  
**What are the criteria ?**

## ANSWER

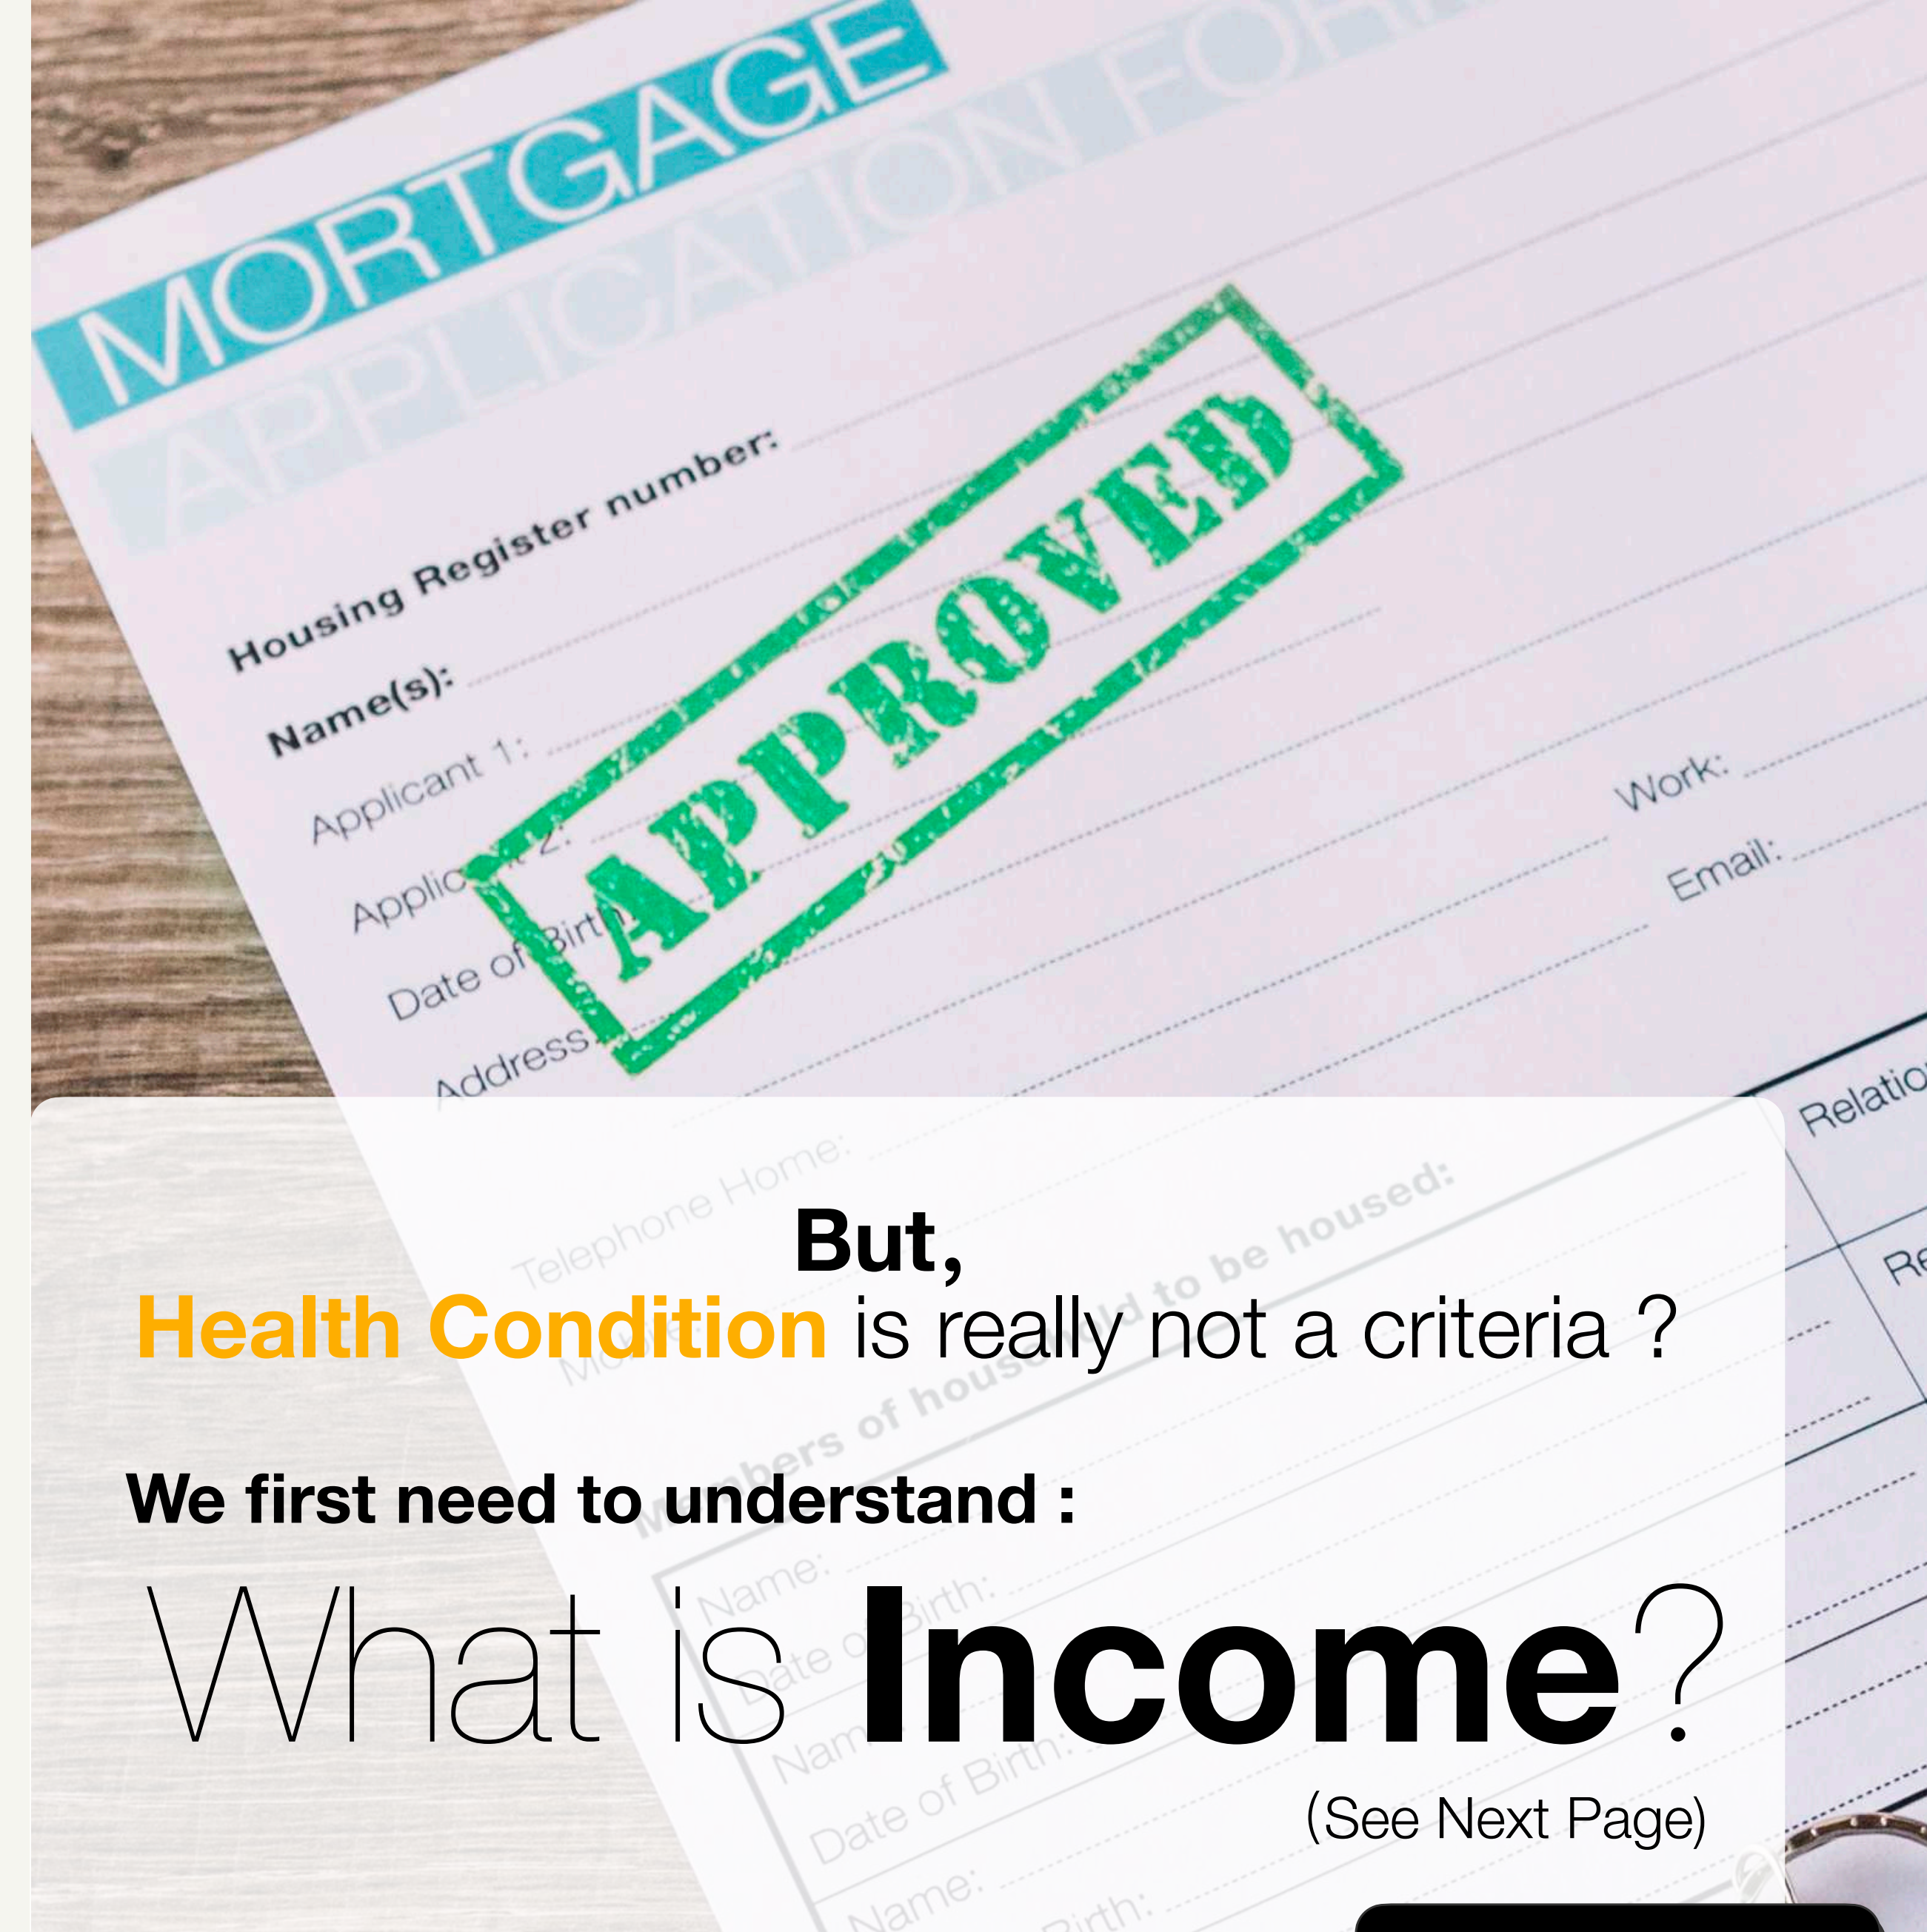

A) **Income** (*Priority*)

B) **Age**

C) **Health Condition** ❌

**Income** : Home mortgage instalment payment capability

**Age** : Determines loan tenure (Max up to age 70)

**But,**  
**Health Condition** is really not a criteria ?

**We first need to understand :**

What is **Income**?

(See Next Page)

# The **INCOME** Formula

$$\text{Career} \times \text{Time} \times \text{Ability}$$

(Company) (Working Hours) (Able to work)

## Definition of **Ability** (Able to Work)

Based on National Library of Medicine (USA)

### 1. **Having the Health**

2. *The basic standard competence*
3. *The basic relevant occupational virtues required to for managing some kind of job*

"Your income is dependant on your health"

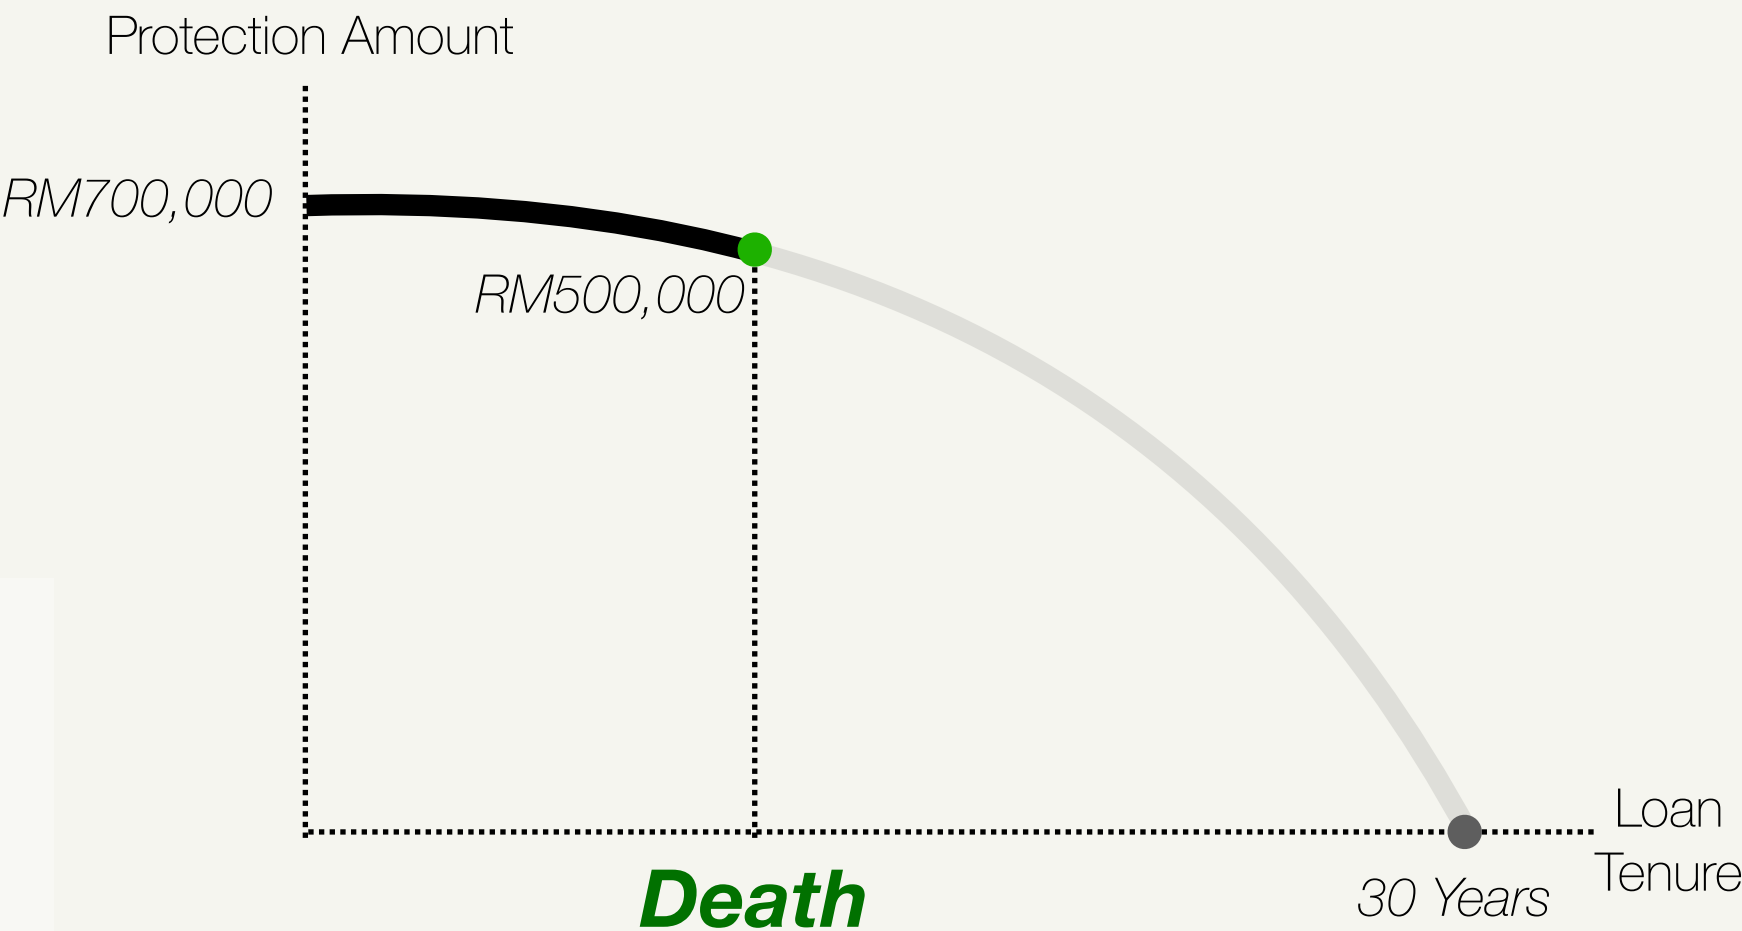

# What we are **likely** having now

Madam A's  
Incident : **Death**

Loan amount :  
**RM700,000**  
Loan balance :  
**RM500,000**  
Monthly Instalment :  
**RM3,000**

## MRTA

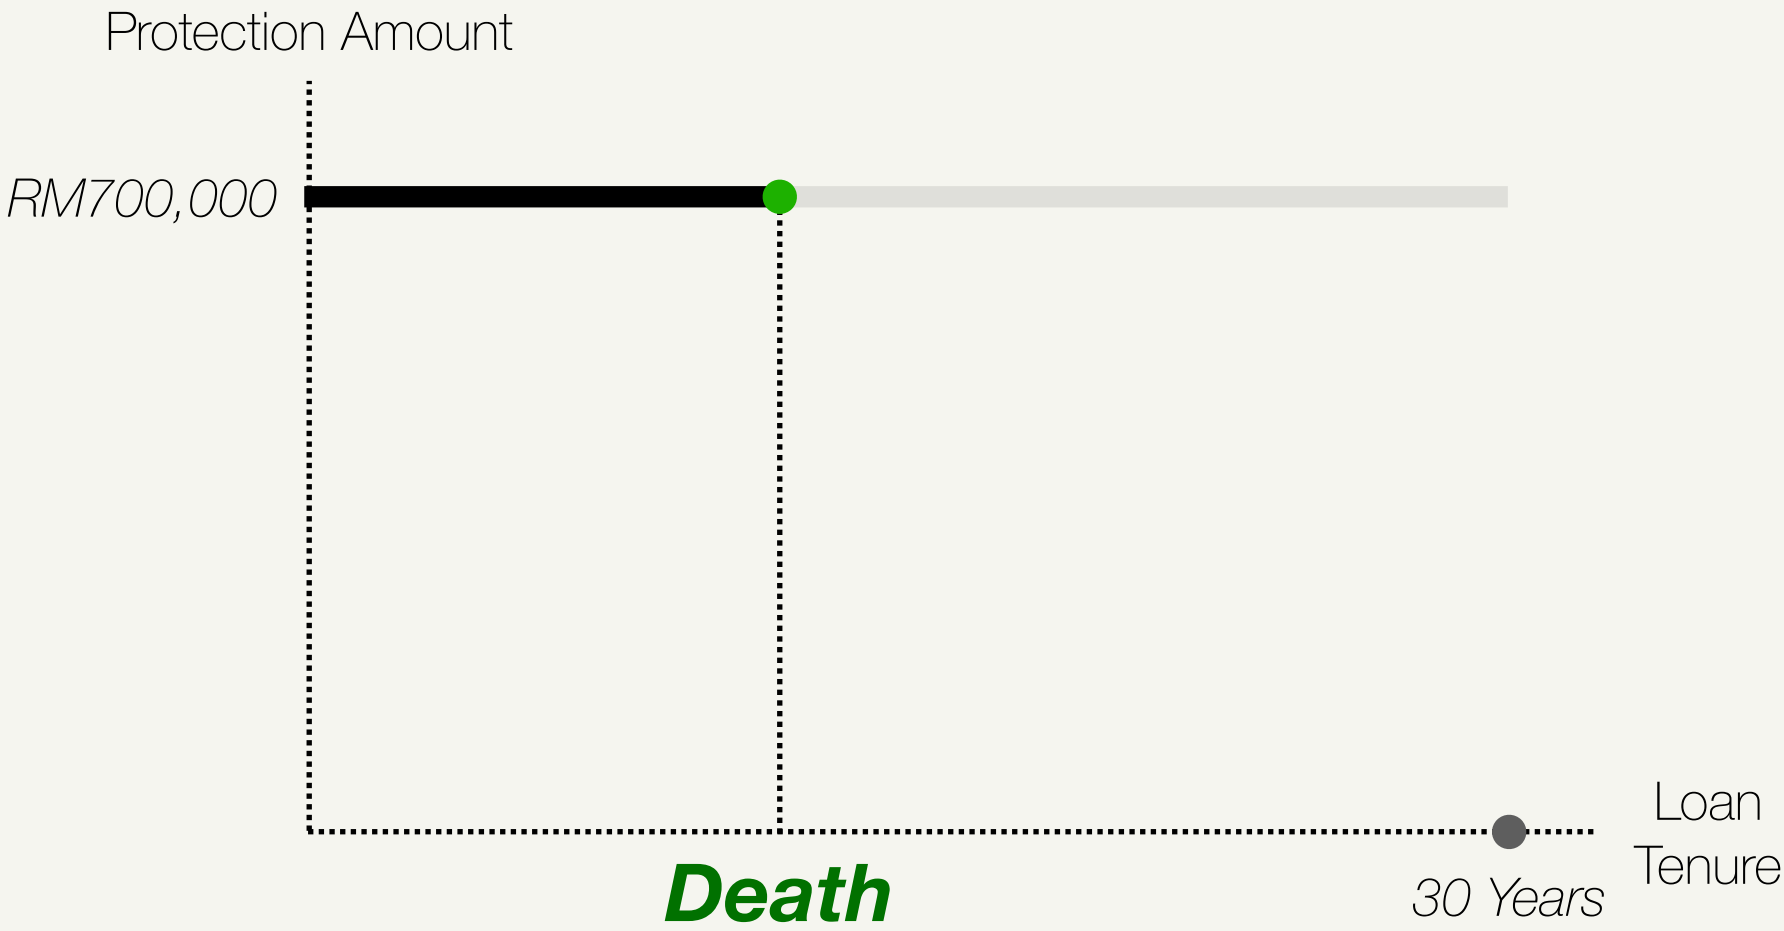

Mortgage Reducing Term Assurance

Loan balance : RM0  
Monthly Instalment : RM0

## MLTA

Mortgage Level Term Assurance

Loan balance : RM0  
Monthly Instalment : RM0  
Extra Payout : **RM200,000**  
MLTA premium payment : RM0

## 1. Why do we want to buy medical card ?

☐

Worried about the high medical costs in private hospitals

☐

Do not wish to burden to our family

☐

Not trusting the efficiency of government hospital

## 2. How much do we need to pay for our medical card policies in total ?

If there's no future upgrades

Annual premium : RM Monthly premium x 12 = RM \_\_\_\_\_ (A)

Premium Paying Years : Age 80\* - Policy Inforced Years = \_\_\_\_\_ (B)

\*Malaysian's Life Expectancy ~age 80

B years total premium : (A) x (B) = RM \_\_\_\_\_

## Let's Ask Ourselves

It's quite a hefty sum we are to going to pay for our medical plans in our lifetime....

Actually, which type of the following medical claims is our biggest concern ?

☐

Minor Claims (RM5,000 - RM10,000)

☐

Major Claims (RM300,000 - RM500,000)

**Rebuilding** the path of our dream

## Medical Card Trivia

Major Claims in medical card (RM300,000 - RM500,000) are usually for **Critical Illnesses** treatment eg. Cancer Treatment

# Rebuilding the path of our dream

## Important Household Expenses

Hereby referred as "Mortgage Instalment"

| Items                       | Monthly Amount (RM) | Yearly Amount (RM) |
|-----------------------------|---------------------|--------------------|
| Mortgage Instalment         |                     |                    |
| Fire Insurance              | -                   |                    |
| Quit Rent                   | -                   |                    |
| Assessment                  | -                   |                    |
| Water Bills                 |                     |                    |
| Electricity Bills           |                     |                    |
| Maintenance / Security Fees |                     |                    |
| Indah Water                 |                     |                    |
| High Speed Internet         |                     |                    |
| Yearly Total Amount (RM)    |                     | ( i )              |

# Rebuilding the path of our dream

Our Home Loan

这里总称为“房贷分期付款”

## How much CPOP is required ?

$$\text{CPOP} = \text{Annual Mortgage Instalment} \times \text{No. of Protection Years}$$

Annual Mortgage Instalment : ( i ) = RM \_\_\_\_\_

## My desired CPOP coverage if Critical Illness strikes

5 years mortgage instalment  
= ( i ) x 5 years

10 years mortgage instalment  
= ( i ) x 10 years

Let's find out more from CPOP
